## **All about Street Signs**

What an exciting way to help teach your pre-school or early-school child to read! "Stop, Wait, Go!" uses beautifully illustrated pictures with common road signs and symbols to tell an engaging story that entertains as it teaches. Award-winning artist, designer, and children's author, Nancy King, arouses your child's curiosity about everyday road signs seen in their travels. Featured are road signs with and without words and of various shapes and colors, that familiarize the child with commonly seen signs. The book evokes the classic family road trip to a happy destination as the family locates familiar signs in typical settings. Each family member has a distinct personality, and animals enrich the passing landscape for added interest. Bright, full-color, 17" x 8 1/2" spreads provide maximum visual appeal. The simple story line includes an adventure with a satisfying ending for everyone. Bonus feature: The back pages of the book include a memory game and a dictionary of additional common signs and symbols, providing delightful and informative reading for all!

## **We Love Reading Street Signs**

Trophy wife Darcy McDaniel has just discovered that, thanks to her embezzling husband, her posh, upper-class life is gone for good. Now she's trading her suburban palace for a trailer park and her weekly salon appointments for a job. Darcy needs a new man--fast--one who'll keep her in the manner she darn well deserves. Problem is, the hottest prospect around is the my-way-or-the-highway hunk who's making off with her beloved Mercedes! Ex-cop turned repo man John Stark is sure that hiring the furious blonde in his headlights is a colossal mistake. He knows Darcy's high-maintenance, designer-labels-only type--after all, he's used to taking their cars. But he never expected this hellion to have the smarts and the spunk to go from receptionist to repo agent in record time...or to drive him insane with desire. She's the last thing this tall, dark, and dangerous loner needs...and everything he never knew he wanted.

This “visually arresting” photography book collects and organizes images from the natural and built world according to the spectrum of colors in a rainbow (Country Living). This playful collection of rainbows is a

bright and beautiful appreciation of all the color that surrounds us. Artist Julie Seabrook Ream invites us to see the extraordinary beauty of ordinary objects: she gathers colorful iterations of a single type of thing, from feathers to fishing gear, matchbooks to macarons, and neatly arranges them in rainbow order. A fascinating index details all the objects in each rainbow, bringing the magnetic appeal of meticulous organization to this burst of color in book form. This celebratory book is a treasure for those who love art, design, and a fresh perspective. “[These images] kinda just make you feel like everything is right with the world.” —BuzzFeed “The perfect book for color organizing enthusiasts.” —Mental Floss “Whether you’re a color fiend or an organization enthusiast, Encyclopedia of Rainbows is sure to make you see the world around you through a whole new (colorful) lens.” —My Modern Met “Encyclopedia of Rainbows is a reminder to stay curious: To think about the natural colors we might find in nature, the objects we might be overlooking. And to consider what we can create when we bring all of these together.” —Hello Giggles “This fun new photography book is filled with rainbows made of everything from flowers to stamps to sweets.” —Martha Stewart Weddings

## **DieCastX Magazine**

Combining candy-colored paint jobs with muscle car attitudes and southern California coo, Hot Wheels cars changed the toy world forever in 1968. For the next 10 years as millions of kids discovered the joy of these miniature marvels, one small characteristic came to define this radical die-cast era: the thin red line on the cars tires. Hot Wheels Classics: The Redline Era proudly showcases more than 500 spectacular color photos (so come of the finest cars of this groundbreaking time.) Sprinkled throughout the visual and historical feast, you'll enjoy the commentary from legendary car designer Larry Wood and other Mattel designers. More than 40 years of introduction, Hot Wheels cars have experienced a multitude of changes, incredible success, trials and tribulations, and ultimately crafted one of the greatest American toy stories of all time. Yet is one single feature from decades past that skill defines for many their greatest: the Redline.
