## After Seven Wows and time in the Tomb, Jesus Resurrects on the Third Day

After Seven Wows and time in the Tomb, Jesus Resurrects on the Third Day is a book crafted for youth groups, Jesus lovers, church leaders, Bible study groups, and families. The author, deeply understanding these groups' unique needs and interests, has filled this book with conceptual color illustrations that will resonate with them and has included a study guide for their convenience. Seven Wows (unanticipated things) occurred right after Jesus died: Jesus died on command around 3 PM on Friday, 30 AD. The 60-foot-tall veil tore in the temple from top to bottom. An Earthquake followed. Some tombs opened, and these holy people walked around Jerusalem after Jesus' resurrection. A Roman centurion concluded Jesus was the Son of God. Followers of Jesus grieved and smote their chests when they saw the mangled appearance of Jesus' tortured body. To ascertain that Jesus was dead, a Roman soldier pierced His side with a spear but did not break His legs. Other parts of this book include: 1 Timeline from Adam to the Flood to King David to Jesus to Today. 1 Pilate permitted Joseph of Arimathea to house Jesus' body in his newly constructed tomb. 1 The book explains what happened to Jesus during His three days in that rich man's tomb. 1 On the third day, Jesus rose from the dead and appeared first to Mary Magdalene and later to dozens of followers, including eleven of His twelve Disciples. 1 The Pharisees bribed the soldiers guarding the tomb to lie and say that His Disciples stole His body. 1 Jesus gave His Disciples an assignment to share the good news with Jews and Gentiles worldwide. 1 On the fortieth day, the Disciples witnessed Jesus ascending into Heaven. 1 On Pentecost, 50 days after Jesus rose from the dead, He gave 120 followers the gift of the Holy Spirit. As a result, 3000 Jews converted. The author will donate fifty percent (50%) of all book sales to Covenant House, a charity dedicated to 'joining the fight to end youth homelessness.'

## Adam Resurrected

The eschatological resurrection is posited as the solution to the "Death of Adam" i.e. the Death that came into the world the very day that Adam sinned. So, what was that death? The majority of believers say it was physical death. But, there is a massive and fatal problem here. God said "In the day that you eat...you shall surely die." Did Adam die physically the very day he sinned? Clearly not! So, did God lie? Was God unable to carry through with the threat? No, Adam and Eve did die, and they died the very day they ate the forbidden fruit. How so? They died spiritually, by losing the precious fellowship with God and living in the Garden. They were separated from a loving God. This is the essence, the reality, of the Death of Adam!

## The Death of Adam / The Life of Christ

Did Jesus rise from the dead? Is resurrection even possible? There are numerous historical and philosophical challenges to belief in Jesus' resurrection. For many, these questions are insurmountable. Raised on the Third Day approaches these questions with critical and believing eyes. Edited by W. David Beck and Michael R. Licona, Raised on the Third Day collects essays from prominent contributors in the fields of philosophy, history, and apologetics. Contributors--including J. P. Moreland, William Lane Craig, Craig A. Evans, Beth M. Sheppard, and Sean McDowell--evaluate scriptural, historical, moral, and apologetic issues related to Christ's death and resurrection. Essays on the Shroud of Turin and near-death experiences round out the volume. Inspired by the foundational work of Gary Habermas--arguably the greatest contemporary Christian thinker on the resurrection--these essays build upon his work and move the discussion forward. Readers will better appreciate how Habermas has shaped scholarship on Christ's resurrection and further areas for

exploration and discussion.

## **Raised on the Third Day**

Out of Profound disappointment came the Almighty's decree to resurrect the biblical Adam into a contemporary self. For the plan was a celestial quest to collaborate with the reincarnated First Man to help eliminate much of mankind's wicked and wanton ways, adjudged on the brink of self-destruction. And Adam's help was essential also to lead the way in restoring the Almighty's one pristine planet. Angels are dispatched to rain a bevy of whimsical phantasms on Adam to wheedle him into willingly joining their mission. Eventually, the Angel Amos appears, telling Adam of their goals and requirements he must meet. But Adam scoffs at making a contrite repentance for his prior disobedience in the Garden of Eden-complicating heaven's designs. Although the tale often flows surreal and adventuresome, the perceptive reader is apt to capture meanings aloft, and intellectualize on individualism, free will and defense of humanness, interwoven in the fabric of this spiritual fantasy.

## **Three Questions Proposed & Answered**

This book explain the process of Jesus Christ as the last Adam in details. The reason I am writing this book is because the Lord put on my heart to try, with the help of the Holy Spirit, to answer this question about life after death and the process of death. I get asked all the time what happens after death; many Christians ask that question. I had three categories of readers in mind as I sat down to pen this book: Those who have been asking the question about death; Bible-believing Christians. Those observers from outside the church, who believe not in Jesus Christ and his resurrection to life. Most importantly, the preacher that preaches the word of God and the resurrection of Jesus as the last Adam. For the resurrection of Jesus is the foundational fact on which Christianity is built: \"If Christ be not raised your faith is vain; Ye are yet in your sins\" (1 Corinthians 15:17).

In seventeenth-century France, Jeanne Guyon wrote about God, “I loved him, and I burned with his fire because I loved him, and I loved him in such a way that I could love only him, but in loving him I had no motive save himself.” She called this the pure love of God. Guyon traveled throughout Europe teaching others how to pray and her books became popular bestsellers. She expressed her Christian faith that Jesus Christ lives within our interior life. As Guyon became increasingly popular, the church and state authorities used the power of the Roman Catholic Inquisition and arrested her, charging her with heresy. Guyon spent nearly ten years incarcerated, including five years in the Bastille from 1698–1703. The state authorities judged her innocent. After her release, she lived in Blois on the Loire River and welcomed visitors from Europe and the New World who talked with her about the Christian faith. This is the first English translation of Guyon’s Commentary on the Gospel of Luke.

The most ancient sciences in the world are Alchemy and Kabbalah, which constitute the practical, spiritual knowledge hidden in the depths of every great religion and mystical tradition. Modern scientists are only recently discovering what these ancient teachings have always known: that we are a part of a multidimensional universe, and that our consciousness, our awareness, can expand to perceive matter and energy that are invisible to the flesh. Just as physics and chemistry illuminate our understanding of the physical world, Alchemy and Kabbalah constitute a scientific method to awaken the consciousness and fully develop the human being, opening the doors to vast worlds that are hidden from the physical senses. This awakening or alchemical birth requires a precise scientific method, for everything that exists depends upon causes and conditions. Hidden in centuries of mystical texts and obscure drawings are the specific instructions that lead towards the opening of their inner senses and the entrance into a higher life. The Philosopher's Stone, the secret of transmuting lead into gold, and many other sacred mysteries long restricted to initiates who had proven their trustworthiness were publicly revealed for the first time by the author Samael Aun Weor. These mystical sciences are hidden in the twenty-two primary Tarot cards, whose origins and precise meanings have never before now been publicly revealed. Now, see for yourself how these ancient

traditions are all truly one science. Discover the keys to unlock the mysteries hidden in scriptures, mystical texts, and enigmatic images, and most importantly the mysteries hidden within us.

Jan A. Sigvartsen seeks to examine the immense interest in life after death, and speculation about the fates awaiting both the righteous and the wicked, that proliferated in the Second Temple period. In this volume Sigvartsen analyses the texts of the Pseudepigrapha, identifies the numerous afterlife and resurrection beliefs they contain, and presents an analysis of these beliefs and how they functioned in the Second Temple period. A careful reading of these diverse resurrection passages – from testaments to wisdom, philosophical literature, and prayers – reveals that most of these distinct life-after-death views, regardless of their complexity, show little evidence of systematic development relational to one another, and are often supported by several key passages or shared motifs from texts that later became a part of the TaNaKh. This volume examines testaments from Adam to the Twelve Patriarchs, expansions of stories and legends such as Joseph and Aseneth and the ladder of Jacob, and texts such as 4 Maccabees, before finally considering the posthumous body, the nature of the soul, and anthropological implications. Sigvartsen's study provides a deeper understanding of how texts that later became a part of the TaNaKh were read by different communities during this important period, and the role they played in the development of the resurrection belief – a central article of faith in both Christianity and Rabbinic Judaism. This volume is a companion to Sigvartsen's work on afterlife and resurrection in the Apocrypha and the apocalyptic literature of the Pseudepigrapha.

In Quantum Faith (Faith), Dr. Strickland argued that Science and Scripture are not at odds and Faith has substance. In Quantum Hope, he argued that Hope is tangible. In Quantum Love, he argues that Love is measureable. However, we cannot choose one of these in favor of the other. Certainly Love is the greatest, but a relationship exist between Faith, Hope, and Love, which requires all three working together. Quantum Love argues from the base of Scripture that Love is not some abstract concept and that real love is only possible with the presence of the Holy Spirit. Although the Bible is the basis, Dr. Strickland injects frequent episodes of \"What I Learned at the Movies.\" Often, Hollywood gets it wrong, but there is an occasional nugget.

Subdue the Earth: The Principle of Authority. What happens to a system where the chain of command is not observed? A country's armed forces may have different branches which, in turn, control various specialties, like Navy or Air Force. Given the importance of these organizations' duties and the huge responsibility on their shoulders, they cannot allow any disruptions to the chain of command. Insubordination cannot be tolerated. Police forces, fire departments, ambulance services, and other like groups have similar responsibilities, and considering their duty to protect and serve the community, they function in a similar manner. How does the church of the twenty-first century operate, the army of the Lord of Hosts? What is its leadership like? Subdue the Earth studies and describes the principle of authority from many different perspectives but especially from the core of the Christian Church of our time.

## **Jesus Becoming Jesus**

In this issue of The Ministry, we begin a series of messages which Brother Lee spoke concerning migration in Los Angeles in 1969. The gospel of grace in the New Testament emphasizes our coming and our going. We come to the Lord for salvation, for grace, and to be filled with God. Then we go to bring salvation, spread grace, and dispense God to others. Our going, according to the Lord's command, is in the way of migration. In the first message, Brother Lee particularly emphasizes our need to carry out the migrations as a move of the Body, preserving the oneness and proper fellowship between all the local churches. The next six messages in this issue, comprising the Crystallization-study of the Divinity of Christ, are from the first half of the Living Stream Ministry's Winter Training of 1997. The subject of this training was originally chosen by Brother Lee, and the outlines were prepared by his co-workers in fellowship with him. They represent the utterances, the thoughts, and the crystals from various portions of Brother Lee's ministry. Brother Lee began the semiannual trainings in 1974, and then book by book, training after training, he covered the entire Bible in the way of life-study and later returned to crucial matters in the way of crystallization-study. The open Bible has now become our inheritance in the Lord's recovery and the foundation for our going on in the Lord's way. Toward the end of his ministry, Brother Lee charged his co-workers that his will, his bequest, to the Lord's recovery was that the semiannual trainings would continue after he went to be with the Lord. Even though our brother is not physically with us, we are still one to carry out his bequest. We conclude this issue with some encouraging letters concerning the Lord's move in His ministry throughout the earth, especially in the publications of the ministry in this country and in Europe.

The author is the world's foremost authority on Chartres, and is in residence there most of the year. He shows us the history of the cathedral and teaches us how to "read" the world-famous stained glass and sculpture, explaining the references to Scripture and the teachings of the Church. Chartres alone, of all the great medieval churches, has survived into the 20th century almost intact, not only architecturally but with its vast iconographic program in 12th- and 13th-century stained glass and sculpture. Medieval art was intended not just to embellish the church but to instruct the people, for there was no printing. Scholars could therefore teach their students, the clergy preach sermons and parents read the lives of the saints to their children using the 'texts' in stained glass and sculpture. The sister churches of Chartres have been sadly vandalized to varying degrees by Reform, revolution, war or natural disaster. Here in Chartres the 'text' is virtually complete. A concise glossary of symbolic images has been included as well as a complete plan of all the windows in the cathedral, and an index.

How is God to be worshipped? In our modern context there are so many approaches people take to the worship of God, both corporately as well as individually. The greatest issue the evangelical church faces in our time is not the decline in the morality of our society or even the secularization of our Western context; rather, it is the forsaking of the true worship of God. It is the neglect of living out a cherished doctrine of the reformation "Sola Scriptura." God is the object and consumer of worship. Therefore, his word given to us governs us in our worship of him. The people of Israel are told by Moses in Deut 12:32: "Whatever I

command you, you shall be careful to do; you shall not add to nor take away from it.\" The Lord Jesus told the Samaritan women in John 4:24, \"God is spirit, and those who worship Him must worship in spirit and truth.\" God spells out with crystal clarity how his redeemed are to worship him. In True Worship we will explore what biblical worship of the triune God is and why it is crucial in our time and for all time.

In *The Unseen Realm*, Dr. Michael Heiser examines the ancient context of Scripture, explaining how its supernatural worldview can help us grow in our understanding of God. He illuminates intriguing and amazing passages of the Bible that have been hiding in plain sight. You'll find yourself engaged in an enthusiastic pursuit of the truth, resulting in a new appreciation for God's Word. Why wasn't Eve surprised when the serpent spoke to her? How did descendants of the Nephilim survive the flood? Why did Jacob fuse Yahweh and his Angel together in his prayer? Who are the assembly of divine beings that God presides over? In what way do those beings participate in God's decisions? Why do Peter and Jude promote belief in imprisoned spirits? Why does Paul describe evil spirits in terms of geographical rulership? Who are the \"glorious ones\" that even angels dare not rebuke? After reading this book, you may never read your Bible the same way again. Endorsements \"There is a world referred to in the Scripture that is quite unseen, but also quite present and active. Michael Heiser's *The Unseen Realm* seeks to unmask this world. Heiser shows how important it is to understand this world and appreciate how its contribution helps to make sense of Scripture. The book is clear and well done, treating many ideas and themes that often go unseen themselves. With this book, such themes will no longer be neglected, so read it and discover a new realm for reflection about what Scripture teaches.\" --Darrell L. Bock, Executive Director for Cultural Engagement, Senior Research Professor of New Testament Studies, Howard G. Hendricks Center for Christian Leadership and Cultural Engagement \"How was it possible that I had never seen that before?\" Dr. Heiser's survey of the complex reality of the supernatural world as the Scriptures portray it covers a subject that is strangely sidestepped. No one is going to agree with everything in his book, but the subject deserves careful study, and so does this book.\" --John Goldingay, David Allan Hubbard Professor of Old Testament, School of Theology, Fuller Theological Seminary \"This is a 'big' book in the best sense of the term. It is big in its scope and in its depth of analysis. Michael Heiser is a scholar who knows Scripture intimately in its ancient cultural context. All--scholars, clergy, and laypeople--who read this profound and accessible book will grow in their understanding of both the Old and New Testaments, particularly as their eyes are opened to the Bible's 'unseen world.'\" --Tremper Longman III, Robert H. Continuing the narrative from Volume One of: *From Bharata to India*, this second volume spans the years from the Muslim conquests down to the present era. The Volume begins by contrasting the stifling theocracy of the Abrahamic religions (Judaism and Christianity), and of Islam, to the pristine ideation of compassion, love and universal wellbeing inherent in the Vedic world. The forced conversion of pagan peoples and their places of worship was consequently institutionalized by intolerance, savagery, barbarism, cruelty, and unparalleled brutality. This cultural and religious Invasion shook the very foundations of the Vedic patrimony as the native Hindus adapted Alien lifestyles where Vedic values were repackaged as European and/ or Islamic. Consequently, the modern Indians began to despise what had once been their own legacy, the Cradle of civilization, and embraced imported modes of behavior. The transformed, native polity, supported by foreign vested interests, exploited their own country even more than the alien invaders. As the Western world frees itself from the shackles of Middle Age conformism and depravity, this second volume concludes that the eternal values of Vedic Bharata are to inspire the nascent Civilization of tomorrow. Eastern introspection will replace, then, the Western tradition of a wholly other divinity.

## **The Jesus Mysteries**

This incendiary book constitutes a formal theological disproof of the central tenets of Christianity - the Trinity and the Incarnation. Christianity is a staggeringly false religion. The reason most Christians continue to believe is that a) they have been relentlessly brainwashed and b) they don't actually know anything about Christianity. The absurdities of Christianity can be understood only by examining the many heresies that sprang up in the early centuries of the Church, challenging every aspect of orthodox Christian thinking. These heresies have boxed in Christianity so much that all that's left is a statement of what Christianity ISN'T. It's only possible to be a Trinitarian Christian by stating the empty formula "three persons in one God" without ever daring to specify what "person" means. Similarly, Christians mouth the hollow formula of the Incarnation: "two natures, human and divine, in one person" without having any idea of what

\ "nature\" means.
