Give Me Liberty! An American History

Give Me Liberty! is the #1 book in the U.S. history survey course because it works in the classroom. A single-author text by a leader in the field, Give Me Liberty! delivers an authoritative, accessible, concise, and integrated American history. Updated with powerful new scholarship on borderlands and the West, the Fifth Edition brings new interactive History Skills Tutorials and Norton InQuizitive for History, the award-winning adaptive quizzing tool.

Give Me Liberty!: An American History Seagull 6E Combined Vol

A powerful text by an acclaimed historian, Give Me Liberty! delivers an authoritative, concise, and integrated American history. In the Sixth Edition, Eric Foner addresses a question that has motivated, divided, and stirred passionate debates: "Who is an American?" With new coverage of issues of inclusion and exclusion—reinforced by new primary source features in the text and a new secondary source tutorial online—Give Me Liberty! strengthens students' most important historical thinking skills. The Seagull Edition offers the complete text of the Full Edition in full color and a portable trim size with fewer illustrations and maps and an exceptionally low price.

Give Me Liberty!, 6th Brief Edition (Volume 1)

The leading U.S. history textbook, with a new focus on "Who is an American?"

Give Me Liberty!, 6e Seagull Volume 1 with Media Access Registration Card + Voices of Freedom, 6e Volume 1

The leading U.S. history textbook, with a new focus on "Who is an American?"

Give Me Liberty!, 6th Edition (Volume 1)

Edited by Eric Foner and coordinated with each chapter of the text, this companion to Give Me Liberty! includes primary-source documents touching on the theme of American freedom. The freedom theme is explored in the words of well-known historical figures and ordinary Americans. Each document is accompanied by an introductory headnote and study questions.

Voices of Freedom

Give Me Liberty! is the #1 book in the U.S. history survey course because it works in the classroom. A single-author text by a leader in the field, Give Me Liberty! delivers an authoritative, accessible, concise, and integrated American history. Updated with powerful new scholarship on borderlands and the West, the Fifth Edition brings new interactive History Skills Tutorials and Norton InQuizitive for History, the award-winning adaptive quizzing tool. Give Me Liberty! An American History

In conjunction with a ten-year exhibit at the Chicago Historical Society, beginning January 1990.

A House Divided

“The #1 U.S. history text with inclusive new coverage and improved support for student readers. Give Me Liberty! is beloved by instructors and students alike because it delivers an authoritative, concise, and integrated American history. In the Seventh Edition, Eric Foner welcomes acclaimed scholars Kathleen DuVal and Lisa McGirr as co-authors. Together, they have enhanced coverage of Native American history with an emphasis on how it refines our understanding of freedom—the book’s urgent guiding theme. New pedagogical tools, including a guided interactive reading experience with support in developing critical thinking skills, are designed to help students get the most out of this beloved text. The Brief Edition is 30% shorter than the Full Edition and features a slightly smaller trim size. It shares the same pedagogical features of the Full Edition.” -- Provided by publisher.

Give Me Liberty!

This beautifully written history recenters the West and rekindles the past in a vivid narrative crafted for beginning students. Grafton and Bell tell the epic story of a West engaged in a continuing search for order across politics, society, and culture, driven by internal tensions and global influences. They deliver the past not as a path to the present but as it was lived at the time, grounded in a balanced, comprehensive, chronological narrative. Combined with rich digital resources to instill practical history skills, The West establishes a dynamic NEW foundation for teaching the Western Civilizations course.

The West: A New History

Printed in color. U.S. History is designed to meet the scope and sequence requirements of most introductory courses. The text provides a balanced approach to U.S. history, considering the people, events, and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience). U.S. History covers key forces that form the American experience, with particular attention to issues of race, class, and gender.

Give Me Liberty!

Adopted at over 600 universities, colleges, and schools across the country, Eric Foner's Give Me Liberty! is making a difference in the American history survey course.

U.S. History

America is the leading narrative history because students love to read it. Additional coverage of immigration enhances the timeliness of the narrative. New Chapter Opener videos, History Skills Tutorials, and Norton’s adaptive learning tool, InQuizitive, help students develop history skills, engage with the reading, and come to class prepared. What hasn’t changed? Our unmatched affordability. Choose from Full, Brief (15% shorter), or The Essential Learning Edition—featuring fewer chapters and additional pedagogy.

Give Me Liberty!

Lust for Liberty challenges long-standing views of popular medieval revolts. Comparing rebellions in northern and southern Europe over two centuries, Samuel Cohn analyzes their causes and forms, their leadership, the role of women, and the suppression or success of these revolts. Popular revolts were remarkably common—not the last resort of desperate people. Leaders were largely workers, artisans, and

peasants. Over 90 percent of the uprisings pitted ordinary people against the state and were fought over political rights--regarding citizenship, governmental offices, the barriers of ancient hierarchies--rather than rents, food prices, or working conditions. After the Black Death, the connection of the word liberty with revolts increased fivefold, and its meaning became more closely tied with notions of equality instead of privilege. The book offers a new interpretation of the Black Death and the increase of and change in popular revolt from the mid-1350s to the early fifteenth century. Instead of structural explanations based on economic, demographic, and political models, this book turns to the actors themselves--peasants, artisans, and bourgeois--finding that the plagues wrought a new urgency for social and political change and a new self- and class-confidence in the efficacy of collective action.

America: A Narrative History

The leading text in the U.S. survey course.

Lust for Liberty

From the "preeminent historian of Reconstruction" (New York Times Book Review), a newly updated edition of the prize-winning classic work on the post-Civil War period which shaped modern America, with a new introduction from the author. Eric Foner's "masterful treatment of one of the most complex periods of American history" (New Republic) redefined how the post-Civil War period was viewed. Reconstruction chronicles the way in which Americans—black and white—responded to the unprecedented changes unleashed by the war and the end of slavery. It addresses the ways in which the emancipated slaves' quest for economic autonomy and equal citizenship shaped the political agenda of Reconstruction; the remodeling of Southern society and the place of planters, merchants, and small farmers within it; the evolution of racial attitudes and patterns of race relations; and the emergence of a national state possessing vastly expanded authority and committed, for a time, to the principle of equal rights for all Americans. This "smart book of enormous strengths" (Boston Globe) remains the standard work on the wrenching post-Civil War period—an era whose legacy still reverberates in the United States today.

Give Me Liberty!

In search of "the best America there ever was," bestselling author and award-winning journalist Bob Greene finds it in a small Nebraska town few people pass through today—a town where Greene discovers the echoes of the most touching love story imaginable: a love story between a country and its sons. During World War II, American soldiers from every city and walk of life rolled through North Platte, Nebraska, on troop trains en route to their ultimate destinations in Europe and the Pacific. The tiny town, wanting to offer the servicemen warmth and support, transformed its modest railroad depot into the North Platte Canteen. Every day of the year, every day of the war, the Canteen—staffed and funded entirely by local volunteers—was open from five a.m. until the last troop train of the day pulled away after midnight. Astonishingly, this remote plains community of only 12,000 people provided welcoming words, friendship, and baskets of food and treats to more than six million GIs by the time the war ended. In this poignant and heartwarming eyewitness history, based on interviews with North Platte residents and the soldiers who once passed through, Bob Greene tells a classic, lost-in-the-mists-of-time American story of a grateful country honoring its brave and dedicated sons.

Reconstruction

"Nothing short of a masterpiece." —NPR Books A New York Times Bestseller and a Washington Post Notable Book of the Year In the most ambitious one-volume American history in decades, award-winning historian Jill Lepore offers a magisterial account of the origins and rise of a divided nation. Widely hailed for its "sweeping, sobering account of the American past" (New York Times Book Review), Jill Lepore's one-volume history of America places truth itself—a devotion to facts, proof, and evidence—at the center of the

nation's history. The American experiment rests on three ideas—"these truths," Jefferson called them—political equality, natural rights, and the sovereignty of the people. But has the nation, and democracy itself, delivered on that promise? *These Truths* tells this uniquely American story, beginning in 1492, asking whether the course of events over more than five centuries has proven the nation's truths, or belied them. To answer that question, Lepore wrestles with the state of American politics, the legacy of slavery, the persistence of inequality, and the nature of technological change. "A nation born in contradiction... will fight, forever, over the meaning of its history," Lepore writes, but engaging in that struggle by studying the past is part of the work of citizenship. With *These Truths*, Lepore has produced a book that will shape our view of American history for decades to come.

Once Upon a Town

This book has been considered important throughout the human history, and so that this work is never forgotten we have made efforts in its preservation by republishing this book in a modern format for present and future generations. This whole book has been reformatted, retyped and designed. These books are not made of scanned copies and hence the text is clear and readable.

A Discourse Concerning Western Planting

"This best-selling combination rhetoric and thematically organized reader shows students how to analyze all kinds of arguments, not just essays and editorials, but clothes, smartphone apps, ads, and Web site designs, and then how to use what they learn to write their own effective arguments. Newly streamlined and featuring e-Pages that take argument online, its signature engaging, informal, and jargon-free instruction emphasizes cultural currency, humor, and visual argument." --Back cover.

Thinking Through the Past

Publisher description

These Truths: A History of the United States

A Norton original in the *Reacting to the Past* series, *Patriots, Loyalists, and Revolution* in New York City invites students to experience the chaos of the American Revolution.

Give Me Liberty

The leading text in a brief, full-color edition. Clear, concise, integrated, and up-to-date, *Give Me Liberty!* is a proven success with teachers and students. Eric Foner pulls the pieces of the past together into a cohesive picture, using the theme of freedom throughout. The Brief Fourth Edition is streamlined and coherent, and features stronger coverage of American religion, a bright four-color design, and a reinforced pedagogical program aimed at fostering effective reading and study skills.

Everything's an Argument with Readings

This best-selling rhetorical reader contains a comprehensive collection of essays that both teach rhetorical principles and exemplify them.

The Americanization of the World

"A masterwork [by] the preeminent historian of the Civil War era."—*Boston Globe* Selected as a Notable Book of the Year by the *New York Times Book Review*, this landmark work gives us a definitive account of

Lincoln's lifelong engagement with the nation's critical issue: American slavery. A master historian, Eric Foner draws Lincoln and the broader history of the period into perfect balance. We see Lincoln, a pragmatic politician grounded in principle, deftly navigating the dynamic politics of antislavery, secession, and civil war. Lincoln's greatness emerges from his capacity for moral and political growth.

The Cambridge Companion to Modern American Culture

From the “preeminent historian of Reconstruction” (New York Times Book Review), an updated abridged edition of Reconstruction, the prize-winning classic work on the post-Civil War period which shaped modern America. Reconstruction chronicles the way in which Americans—black and white—responded to the unprecedented changes unleashed by the war and the end of slavery. It addresses the quest of emancipated slaves’ searching for economic autonomy and equal citizenship, and describes the remodeling of Southern society; the evolution of racial attitudes and patterns of race relations; and the emergence of a national state possessing vastly expanded authority and one committed, for a time, to the principle of equal rights for all Americans. This “masterful treatment of one of the most complex periods of American history” (New Republic) remains the standard work on the wrenching post-Civil War period—an era whose legacy still reverberates in the United States today.

Patriots, Loyalists, and Revolution in New York City, 1775-1776

Throughout the book, theoretical foundations necessary for understanding Electronic Commerce (EC) are presented, ranging from consumer behavior to the economic theory of competition. Furthermore, this book presents the most current topics relating to EC as described by a diversified team of experts in a variety of fields, including a senior vice president of an e-commerce-related company. The authors provide website resources, numerous exercises, and extensive references to supplement the theoretical presentations. At the end of each chapter, a list of online resources with links to the websites is also provided. Additionally, extensive, vivid examples from large corporations, small businesses from different industries, and services, governments, and nonprofit agencies from all over the world make concepts come alive in Electronic Commerce. These examples, which were collected by both academicians and practitioners, show the reader the capabilities of EC, its cost and justification, and the innovative ways corporations are using EC in their operations. In this edition (previous editions published by Pearson/Prentice Hall), the authors bring forth the latest trends in e-commerce, including social businesses, social networking, social collaboration, innovations, and mobility.

Give Me Liberty!: An American History (Brief Fourth Edition) (Vol. 2)

'A compelling, powerful portrait of a terrible endurance. Terrific' The Times Four months after Pearl Harbor, signs begin appearing up and down the West Coast instructing all persons of Japanese ancestry to report to 'assembly centers'. For one family - reclassified, virtually overnight, as unwelcome enemies - it is the beginning of a nightmare of oppression and alienation that will alter their lives forever. There is the mother, reeling from the order to 'evacuate', and the daughter, travelling on the long train journey away from freedom. There is the son, who struggles to adapt to their new life in the dust of the Utah desert, and the father, who, after four bitter years in captivity, returns to his family a stranger. Based on a true story, Julie Otsuka's powerful, deeply humane first novel tells of a forgotten generation who found themselves imprisoned in their own country, and evokes an unjustly overlooked episode in America's wartime history. 'Outstandingly accomplished and moving' Sunday Telegraph 'Exceptional' New Yorker **LONGLISTED FOR THE ORANGE PRIZE WINNER OF THE ASIAN AMERICAN LITERARY AWARD 2003 WINNER OF THE AMERICAN LIBRARY ASSOCIATION ALEX AWARD 2003**

Readings for Writers

Winner of the Pulitzer Prize in Non-Fiction. This book is a landmark in American political thought.

Preeminent Richard Hofstadter examines the passion for progress and reform that colored the entire period from 1890 to 1940 with startling and stimulating results. *The Age of Reform* searches out the moral and emotional motives of the reformers the myths and dreams in which they believed, and the realities with which they had to compromise.

The Fiery Trial: Abraham Lincoln and American Slavery

"In addition to providing a much-needed resource for artists, teachers, and collectors, this book will form a bridge between book artists and their audience by providing ready access to information about a much discussed but little known art form."--Book jacket flap.

A Short History of Reconstruction [Updated Edition]

Twenty-one short stories from some of the best American writers over the last two hundred years provide a mesmerizing, multi-faceted portrait of a people and a country busily forging their way in a new world.

Electronic Commerce

The civil rights movement's most prominent leaders, Martin Luther King, Jr. (1929–1968) and Malcolm X (1925–1965), represent two wings of the revolt against racism: nonviolent resistance and revolution "by any means necessary." This volume presents the two leaders' relationship to the civil rights movement beyond a simplified dualism. A rich selection of speeches, essays, and excerpts from Malcolm X's autobiography and King's sermons shows the breadth and range of each man's philosophy, demonstrating their differences, similarities, and evolution over time. Organized into six topical groups, the documents allow students to compare the leaders' views on subjects including integration, the American dream, means of struggle, and opposing racial philosophies. An interpretive introductory essay, chronology, selected bibliography, document headnotes, and questions for consideration provide further pedagogical support.

America's Black Past

Finalist for the 2020 National Book Award for Fiction One of the New York Times' Ten Best Books of the Year Named one of the best novels of the year by Time, Washington Post, NPR, Chicago Tribune, Esquire, BBC, and many others National Bestseller "A blistering little classic." —Ron Charles, Washington Post *A Children's Bible* follows a group of twelve eerily mature children on a forced vacation with their families at a sprawling lakeside mansion. Contemptuous of their parents, the children decide to run away when a destructive storm descends on the summer estate, embarking on a dangerous foray into the apocalyptic chaos outside. Lydia Millet's prophetic and heartbreaking story of generational divide offers a haunting vision of what awaits us on the far side of Revelation.

When The Emperor Was Divine

A New York Times Notable Book for 2011 A Library Journal Top Ten Best Books of 2011 A Boston Globe Best Nonfiction Book of 2011 Bestselling author Tony Horwitz tells the electrifying tale of the daring insurrection that put America on the path to bloody war Plotted in secret, launched in the dark, John Brown's raid on Harpers Ferry was a pivotal moment in U.S. history. But few Americans know the true story of the men and women who launched a desperate strike at the slaveholding South. Now, *Midnight Rising* portrays Brown's uprising in vivid color, revealing a country on the brink of explosive conflict. Brown, the descendant of New England Puritans, saw slavery as a sin against America's founding principles. Unlike most abolitionists, he was willing to take up arms, and in 1859 he prepared for battle at a hideout in Maryland, joined by his teenage daughter, three of his sons, and a guerrilla band that included former slaves and a dashing spy. On October 17, the raiders seized Harpers Ferry, stunning the nation and prompting a

counterattack led by Robert E. Lee. After Brown's capture, his defiant eloquence galvanized the North and appalled the South, which considered Brown a terrorist. The raid also helped elect Abraham Lincoln, who later began to fulfill Brown's dream with the Emancipation Proclamation, a measure he called \"a John Brown raid, on a gigantic scale.\" Tony Horwitz's riveting book travels antebellum America to deliver both a taut historical drama and a telling portrait of a nation divided—a time that still resonates in ours.
