Please note that the content of this book primarily consists of articles available from Wikipedia or other free sources online. Pages: 36. Chapters: Teddy bear, Furby, Pound Puppies, Golliwogg, Pillow Pets, Webkinz, Merrythought, Ty Girlz, Beanie Baby, GIANTmicrobes, Uglydolls, Monchhichi, Sock monkey, Zhu Zhu Pets, Cuddly Dudley, Stuffed toy, Sock puppet, YooHoo & Friends, Gonk, Country Yumkins, Weepul, Amigurumi, Meanies, Wrinkles dogs, Puffkin, Rescue Pets, Furryville, Noukie's, My Meebas, Waldorf doll, Pawparazzi, Spider Boom, Double Loves, Dream Pets. Excerpt: Pound Puppies is a toytline sold by Tonka in the 1980s. It later inspired an animated TV special, an animated TV series, and a feature film. Shipments of the toys over five years generated sales of \$300 million in 35 countries. The puppies have a variety of plush stuffed dog dolls with floppy ears and droopy eyes. They came in a variety of colors, some with spots. Each one comes in a carrying case with an adoption certificate. Smaller versions were also created (approximately 5 inches (13 cm) long), and a line of cats called Pound Pur-r-ries was also released. Each authentic puppy had a heart shaped emblem near its tail that sported a \"PP\" logo with either a dog (Puppies) or cat (Purries) peeking around it. In 1987, Hardee's restaurants also offered a series of Pound Puppies with their Children's Meals. The \"Pound Puppies\" trademark is held by \"Pound Puppies Inc.\" Taglines Cooler (Jack Russell Terrier) - Cooler is the leader of the Pound Puppies. As his name would imply, Cooler has an outgoing and mellow personality and always keeps his head up even in the most daring situations. He also has a witty and sharp sense of humor compared to the other characters in the series, which is also backed up by his goofy Eddie Murphy-styled laugh. His battle cry is \"Pound Puppies, let's start pounding!\" Voiced by Dan Gilvezan. Nose Marie - Nose Marie is the oldest female of the team. In the first series, she is...

## Richie the Teddy Bear Gets a Puppy

Richie and the elves, Tyler and Katie, want desperately to get a puppy. They have asked their parents several times for a puppy, and each time the answer is the same: \"If we let you have a puppy, we will have to do all

the work!" After much teasing and a promise from Richie, Tyler, and Katie to care for the puppy, their parents say okay. It's off to the Farmers Market to look for the perfect puppy. After an hour's search, Richie is about to give up, when . . . Did they find the "perfect puppy?" Did they take care of it as they promised they would? ## **Find the Teddy**

Is your teddy bear awfully quiet? Does he just sit on your bed and stare at the wall? Maybe he is bored. When you're bored, you can read a book, but Teddy can't. Or can he? . . . Maybe you should read this story out loud to your teddy bear. He may blush, though, because you'll find out about all the things he does when you leave for school. Just make sure to hug your furry friend when you're done reading—even teddy bears make mistakes! Sara Swan Miller and True Kelly, author and illustrator of *Three Stories You Can Read to Your Cat* and *Three Stories You Can Read to Your Dog*, have done it again with three comical new stories—this time about teddy bears. Who knew that teddy bears are just as adventurous as cats and dogs?

## **This is the Bear and the Bad Little Girl**

One of the world's foremost teddy bear experts delves into the history of the famous brand that inspired Winnie-the-Pooh. The family firm of J. K. Farnell & Co. Ltd. occupies a position of unparalleled importance in British soft toy history, firstly because it was the very first British toy company to manufacture teddy bears, and also because it created the actual bear that inspired A. A. Milne to write the Winnie-the-Pooh

stories. Yet impressive as those facts undoubtedly are, they comprise just a small fraction of the fascinating Farnell story. Founded in the nineteenth century, for decades J. K. Farnell & Co. Ltd. was the most respected and influential soft toy manufacturer in Britain. Thanks to the superior quality of its products, the company experienced enormous commercial success at national and international levels—even in Germany, home to its biggest rival. Surviving economic depression, devastating fire, the ravages of World War II, and other traumatic events, the company kept going until fundamental changes in the British toy market forced its closure in 1970. Since then, the Farnell name has been forgotten by all but a dedicated band of teddy bear enthusiasts and the true story of this pioneering British firm has fallen into obscurity. Now, thanks to Kathy Martin's intensive research, the facts about J. K. Farnell & Co. Ltd. and its fabulous teddy bears are revealed in this informative and entertaining book.
