The revised edition of the series Foundation Mathematics for Classes 6, 7 and 8 is based on the latest curriculum prepared and recommended by the Council for the Indian School Certificate Examinations, New Delhi. The present mathematics curriculum aims to develop a number of Mathematical Skills (like Numerical Calculation, Algebraic Manipulation, Spatial Visualisation, Data Analysis, Measurement, Estimation and Approximation) and Mathematical Processes (like Reasoning, Communication and Connections, Problem solving and Heuristics, Estimation, Technology etc.) among students at these levels. This series has been developed and designed keeping in mind the following objectives of the latest curriculum : Students should :

- Enjoy learning of mathematics.
- Learn important mathematics that is much more than few formulas and mechanical procedures of solving problems.
- Pose and solve meaningful problems.
- See mathematics as something to talk about, to communicate, to discuss among themselves, to work together on.
- Understand the basic structure of mathematics : Arithmetic, algebra, geometry and trigonometry, the basic content areas of school mathematics, all offer a methodology of abstraction, structuration and generalization

The revised edition of the series Mathematics Success for Primary to Middle Classes, is an exciting and innovative series, which has been upgraded to meet the requirements of NEP 2020. The series is written in strict conformity with the latest rationalised syllabus prescribed by NCERT. This series is suitable for all schools affiliated to CBSE, New Delhi. The series is also suitable for schools affiliated to various State Boards of Education, following the National Curriculum Framework. It lays emphasis on activities, which correlate school knowledge with student's everyday experiences. This student-friendly series teaches mathematics in such an interesting and comprehensive manner that even an average student has no difficulty in grasping the fundamental concepts of mathematics. Components of this series are : Mathematics Success Books 1 to 8 for Primary and Middle Classes. Mathematics Success Teacher's Resource Books 1 to 8 for Primary and Middle Classes. Online Support for Books 1 to 8. Salient Features of the books 6 to 8 are : Strictly as per the latest NCERT's rationalised syllabus. A graded and spiralling approach, keeping in mind the age and level of understanding of the student. Eye-catching illustrations and student-friendly layout capture the imagination of the student and create an interest in the subject. Each chapter begins with an exercise under the heading What We Have Learnt, which refreshes the concepts learnt in the previous class.

Plenty of well structured Solved Examples and graded exercises. Multiple Choice Questions (MCQs), for better understanding of the lesson. Value Based Questions to inculcate the moral values in the children. HOTS questions to encourage logical thinking and develop problem solving skills. Assignments under Mental Maths not only enhance the mathematical and calculation skills of the students but also cement the concepts learned. Competency Based/Assertion-Reason Questions focus on students' demonstration of desired learning outcomes as central to the learning process. Case Study Based Questions inspire the students to apply the mathematical knowledge acquired, to solve real life problems. Art-Integrated Learning (AIL) enhances the linkage between mathematical concepts and art and culture. Things to Remember provides a quick review of the concepts learnt in the chapter. Maths Lab Activity at the end of each chapter helps the students to develop different strategies for solving problems. Two Model Test Papers — one for half yearly examination and other for yearly examination. Salient Features of Online Support are : Topicwise Videos for better understanding of concepts Chapterwise Worksheets for extra practice Chapterwise Mental Maths Assignments Maths Glossary with examples Chapterwise Summary Downloadable e-books (for teachers only) It is hoped that the series will meet the requirements of the students, teachers and parents alike. Suggestions and constructive criticism for the improvement of the books would be highly appreciated. — The Publishers
