Through a series of powerful prayers, scriptures, and affirmations, this book encourages parents to connect with their boys and the divine, seeking blessings and protection for their sons as they navigate through the challenges and opportunities of each new day. Whether you are a new parent or have been raising your kids for years, "Morning Prayer for Your Boys" is a valuable resource that will help you nurture a strong and loving relationship with your sons, while fostering their spiritual growth and well-being. Morning Prayer for Your Boys is written by a Preacher and Minister of the Lord Our Righteousness, who is on a divine assignment of using the word of God and prayers to liberate people from the captivity of the devil and the kingdom of the darkness. The book is divided into sections such as protection, good health, wisdom, etc. Each prayer is accompanied by scripture to support your sons' growth and development. Morning Prayer for Your Boys is a book that will inspire parents to deepen their connection with their children, while also nurturing their own spiritual practice. It is a reminder that prayer is a powerful tool for personal growth and that by praying for their son's well-being, parents can contribute to their happiness, success, and overall sense of fulfillment in life. One morning, my aunt sat down with her young son to read Morning Prayer for Your Boys. As they read through the daily prayer, the mother noticed that her son seemed distracted and uninterested. Sensing that he wasn't fully engaged, she gently asked him what was on his mind. The son hesitated at first but eventually shared with his mother that he was feeling nervous about an upcoming school presentation. He was worried about what his classmates would say, and whether he would do a good job. The mother listened with empathy and then turned to the daily prayers for that day which focused on favor. She prayed for him and declared prophetically over him from the book and committed his presentation unto God who we can trust when we feel unsure or afraid and when we cannot trust our abilities. Feeling inspired, my aunt suggested that they say the prayer together, asking for a favor for her son as he prepared for his presentation. They held hands and recited the prayer with sincerity and conviction. When they finished, the son looked up at his mother with a smile on his face, and said, "Thanks, Mom. I feel better now. I know I can do it." And with that, he got up and went off to school, feeling more confident and supported than ever before. At the end of the day, he performed excellently well with a high score. A friend's son was preparing for an interview, he read and prepared well but was skeptical about his success when he remembered the caliber of people they did the first interview together, he confided in his mum that he needed special prayer for him to succeed and to find favor in the sight of God and man. The mother opened chapter 7 of this book and prayed fervently for her son. The boy came back happy and rejoicing for his performance and got a letter of appointment a week later. This is the power of prayer at work and the importance of having a daily practice that helps us connect with our loved ones and the divine. This book can help parents create such a practice and offer their children the guidance and support they need to thrive in life. ## **Praying with Your Kids Before School - One Verse. One Prayer**

Once our children begin school, time with them is greatly decreased and other people begin to influence their lives. It is one of the most crucial times for us to be intentional in disciplining our children. But how do we do

it? And when can we do it with our busy schedules? We disciple our children by reading the Bible, discussing how to apply it to our lives and then praying together for God to continue to make us more like Him. Praying with Your Kids Before School will guide you to do just that each day of the school year. You don't have to start in August, you just have to start. Remember, prayer changes us. Prayer brings us closer to God and each other by growing in our understanding of scripture and asking Him to help us to apply it to our lives. The sooner we bring this discipline into our homes, the sooner God can guide us how to disciple our children in the way they should go. Each week has a theme to explore in the Bible that can be prayerfully applied to you and your child's lives. Every verse is also paraphrased into an easier understanding for younger children, with a shorter prayer for them to recite, so that the book can be used on both older and younger children. At the end of each chapter there will be a blank page where you can write out a personal prayer related to the topic for your child. This book becomes not only a guide on how to disciple your child, but a precious keepsake of how you've prayed for them and how God answered your prayers for your child throughout the year. This one discipline, that can renew our minds, change our attitudes and impact our behaviors and decisions. If we are faithful to spend these few minutes with God in prayer, we can be transformed together to become stronger and to become more of who God wants us to be. One verse, one prayer just might change the trajectory of their lives!

## **Prayers Over My Black Sons**

Prayers Over My Black Sons is a groundbreaking book of prayers. It has prayers for every child, regardless of their race or gender. It offers insights and prayers for almost every aspect of a child's life, and each prayer can be modified and personalized. The book helps gives direction to your prayers for your children, nieces, nephews, cousins—any young person in your life. Offering thoughts and prayers as condolences can be seen as an act of kindness. But of what use are people's thoughts and prayers if, heaven forbid, your children are hurt, harmed, or, in a worst-case scenario, their precious lives cut short by fellow human beings, tragedies or disasters? As the saying goes, "prevention is better than cure." You're not omnipresent, so pray in advance

for your children and commend them into God's mighty hands and it shall be well with them, and your days on earth will be peaceful.
