The Crucible

Unlock the more straightforward side of The Crucible with this concise and insightful summary and analysis! This engaging summary presents an analysis of The Crucible by Arthur Miller, a vivid allegory of the mass hysteria that swept through the town of Salem during the Salem Witch Trials. In spite of its historical subject matter, the play was chillingly topical at the time it was written: the 1950s were marked by McCarthyism, where accusations of Communism were rife and many Americans (including Miller himself) were hauled before the House Un-American Activities Committee to answer for their behaviour. Arthur Miller is considered one of the most influential dramatists of the 20th century, and The Crucible was one of his best-known plays. It remains popular today, and new productions of the play are frequently performed. Find out everything you need to know about The Crucible in a fraction of the time! This in-depth and informative reading guide brings you: • A complete plot summary • Character studies • Key themes and symbols • Questions for further reflection Why choose BrightSummaries.com? Available in print and digital format, our publications are designed to accompany you on your reading journey. The clear and concise style makes for easy understanding, providing the perfect opportunity to improve your literary knowledge in no time. See the very best of literature in a whole new light with BrightSummaries.com!

Gcse English Text Guide - The Crucible

In this State Standards-aligned Literature Kit™, we divide the novel by chapters or sections and feature reading comprehension and vocabulary questions. In every section, we include Before You Read and After You Read questions. The Before You Read activities prepare students for reading by setting a purpose for reading. They stimulate background knowledge and experience, and guide students to make connections between what they know and what they will learn. The After You Read activities check students' comprehension and extend their learning. Students are asked to give thoughtful consideration of the text through creative and evaluative short-answer questions and journal prompts. Also included are writing tasks, graphic organizers, comprehension quiz, test prep, word search, and crossword to further develop students' critical thinking and writing skills, and analysis of the text. About the Novel: The Crucible is the award-winning play written by Arthur Miller about the Salem witch trials of 1692. One night in Salem Massachusetts, a group of girls are caught dancing in the woods by Reverend Parris. His own daughter falls into a coma soon after, and the town is ablaze with talks of witchcraft. The Reverend sends for Reverend Hale to examine the girl for witchcraft. Hale concludes that the town of Salem is in fact engulfed in witchcraft as one by one the girls accuse other townspeople of communing with the devil. A trial ensues causing those accused to either deny these allegations, or confess, thus accusing someone else. This cycle finally culminates in the death of several innocent townsfolk. The Crucible is a historical dramatization of true events that show reputation is more important than admitting ignorance. All of our content is aligned to your State Standards and are written to Bloom's Taxonomy.

The Crucible

This rich and well researched history of Widnes brings vividly to life the personalities and events of early days. It traces the development of industry and the effects of immigration, religion and sport on this fascinating social fabric. This book offers a key to understanding the growth of one of the small but most important towns of the Industrial Revolution.

The Crucible - Literature Kit Gr. 9-12

Letts Literature Guides for GCSE help you to get to grips with the novels, poetry and plays most commonly studied for GCSE coursework and exams. This guide covers Miller's The Crucible.

Into The Crucible

A comprehensive study guide offering in-depth explanation, essay, and test prep for selected works by Arthur Miller, two-time Tony Winner and 1949 Pulitzer Prize Winner for Drama. Titles in this study guide include All My Sons, Death of a Salesman, The Crucible, A Memory Of Two Mondays, A View From The Bridge, After The Fall, and Incident at Vichy. As an influential, yet controversial, figure of American theatre, Miller expertly combined social awareness with a searching concern for his characters' inner ambitions. Moreover, Miller offered his audiences great entertainment mixed with thought-provoking social criticism. This Bright Notes Study Guide explores the context and history of Miller's classic work, helping students to thoroughly explore the reasons they have stood the literary test of time. Each Bright Notes Study Guide contains: - Introductions to the Author and the Work - Character Summaries - Plot Guides - Section and Chapter Overviews - Test Essay and Study Q&As The Bright Notes Study Guide series offers an in-depth tour of

more than 275 classic works of literature, exploring characters, critical commentary, historical background, plots, and themes. This set of study guides encourages readers to dig deeper in their understanding by including essay questions and answers as well as topics for further research.

A Guide to The Crucible

The Crucible is a study in the mass hysteria which led to the 1692 Salem witchcraft trials, concentrating on the fate of some of the key figures caught up in the persecution. It powerfully depicts people and principles under pressure and the issues and motivations involved. At the same time, it is also a parable for the events of the McCarthy era in the USA of the 1950s when anyone suspected of left-wing views was arraigned for 'Un-American Activities'.

The Crucible, Arthur Miller

Part of a series of literature guides designed for GCSE coursework requirements, this book contains author details, background to the work, summaries of the text, critical commentaries, analysis of characterization, and sample questions with guideline answers.

Each chapter is individually summarized and analyzed, and has study questions and answers.

The Crucible

In *To Try Men's Souls*, New York Times bestselling authors Newt Gingrich and William R. Forstchen cast a new light on the year 1776 and the man who would become the father of our nation, George Washington. *Valley Forge* picks up the narrative a year after Washington's triumphant surprise attack on Trenton, and much has changed since then. It's the winter of 1777, and Washington's battered, demoralized army retreats from Philadelphia. Arriving at Valley Forge, they discover that their repeated requests for a stockpile of food, winter clothing, and building tools have been ignored by Congress. With no other options available, the men settle down for a season of agony. For weeks the dwindling army freezes under tents in the bitter cold. Food runs out. Disease festers. The men are on the point of collapse, while in Philadelphia the British, joined by Allen van Dorn, the Loyalist brother of the dead patriot, Jonathan van Dorn, live in luxury. In spite of the suffering and deceit, Washington endures all, joined at last by a volunteer from Germany, Baron Friederich von Steuben. With precious few supplies and even less time, von Steuben begins the hard task of recasting the army as a professional fighting force capable of facing the British head-on—something it has never accomplished before—and in the process he changing the course of history. *Valley Forge* is a compelling,

meticulously researched tour-de-force novel about endurance, survival, transformation, and rebirth. It chronicles the unique crucible of time and place where Washington and his Continental Army, against all odds, were forged into a fighting force that would win a revolution and found the United States of America.

Brodie's Notes on Arthur Miller's The Crucible

A guide to reading *The Crucible* with a critical and appreciative mind. Includes background on the author's life and times, sample tests, term paper suggestions, and a reading list.

A Study Guide for Arthur Miller's The Crucible

Here, especially for high school students, is an analysis and summary of Arthur Miller's famous play. Titles in the Literature Made Easy Series analyze novels and plays found in most school curricula. More than mere plot summaries, these books explain themes, analyze characters, and discuss each author's unique writing style, mastery of language, and command of his material. Books also feature "Mind Maps," diagrams that summarize a work's most important details as a way to help students focus ideas for exams and term papers.

Each title features: concise critical excerpts that provide a scholarly overview of each work; 'The Story Behind the Story', detailing the conditions under which the work was written; and, a biographical sketch of the author, a descriptive list of characters, an extensive summary and analysis, and an annotated bibliography.

CliffsNotes on Miller's The Crucible

"The 1953 premiere of *The Crucible* confirmed Arthur Miller's reputation as one of America's most important and serious playwrights as it underscored the earlier success of Miller's Pulitzer Prize winning drama, *Death of a Salesman*. While dealing with the 1692 witch trials in Salem, Massachusetts, *The Crucible* reveals Miller's concern with issues of individual conscience and guilt by association - issues that were manifest in the social and political problems of his own time. The drama is both a historical play of 17th-century colonial America and a parable about the communist witch-hunts in the United States of the 1950s. Miller uses the moral absolutism of Puritan Salem to parallel the infamous congressional hearings led by Senator Joseph McCarthy. The events which frame Miller's tragic drama are separated by some two hundred and sixty years, but are joined by circumstances where elements of disparate societies seek only evidence of guilt and ignore or suppress all evidence to suggest otherwise. With universal themes that transcend time and place, including national borders, *The Crucible* remains one of the most often produced American plays worldwide." "In *The Crucible: Politics, Property, and Pretense*, James J. Martine extends his analysis beyond the standard critical appraisals that compare the drama's setting only to the time in which it was written - the McCarthy era. Martine examines in detail Miller's historical sources and the ways in which he adapted this material to his contemporary audience. Martine suggests the play should be "read" within a variety of contexts, that is, as a product of and reaction to the McCarthy era, as a milestone in the development of Miller's work, as an exemplar of the genre of tragedy, as part of the tradition of American theatre, and as a basis for later adaptations. In his discussion, Martine considers both the written text and the play as public performance. He examines the play's settings, props, and exits and entrances, and draws attention to the various ways in which Miller built these directions about the play's performance into the written text. Martine argues convincingly that *The Crucible* should not be approached as a monochromatic written text as it often has been, but as a multifaceted performance text. His study includes photographs of a contemporary staged production, in addition to commentary on Robert Ward's Pulitzer prize-winning opera based on Miller's drama. Martine's multi-leveled exploration enables the reader to understand and thus appreciate *The Crucible* and Arthur Miller more fully."--BOOK JACKET. Title Summary field provided by Blackwell North America, Inc. All Rights Reserved

Philip Allan Literature Guide (for GCSE)

Arthur Miller was one of the most important American playwrights and political and cultural figures of the 20th century. Both *Death of a Salesman* and *The Crucible* stand out as his major works: the former is always in performance somewhere in the world and the latter is Miller's most produced play. As major modern American dramas, they are the subject of a huge amount of criticism which can be daunting for students approaching the plays for the first time. This Reader's Guide introduces the major critical debates surrounding the plays and discusses their unique production histories, initial theatre reviews and later adaptations. The main trends of critical inquiry and scholars who have purported them are examined, as are the views of Miller himself, a prolific self-critic.

The Crucible - Student Packet

Arthur Miller's *The Crucible*

This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1919 edition. Excerpt: ... CHAPTER XI The Girl Of The Train Immediately on coming off shift the following afternoon Dan went to the Monticana building to present the case of Jackson and the four others to DeWitt Norton, but he found that the mine owner was out of town and was not expected back until the following Saturday. Bradshaw would have liked to have had a talk with Walton, but as he could not do that he went home to write a letter to his friend. "I am up against the Direct Actionist element in the League," he wrote in his bold, characteristic hand. "It involves the blind prejudice and unreasoning hatred of Vignon and his gang against any sort of industrial welfare or harmony. Much to my deep regret, some of those Leaguers on whom I counted, have come to have the foolish notion that maybe, after all, Vignon's way might be the more effective. Coarse and loud talking seem to have a lot of influence with his followers. It makes them think there actually is a way for them either to take over all industrial properties or destroy them and start their own. It is too bad that all the League members are in danger of being stigmatized as Direct Actionists. Believe me dear friend, I find it some job trying to steer the League-craft safely over the boiling waters between the Scylla of Direct Actionism and the Charybdis of an as yet unorganized radicalism that also borders on red anarchy. But if I win out the victory will be all the greater and the sweeter." Then Dan went on to tell of other things: "If I am destined not to help humanity's cause in some degree of leadership, at least I may be of service in another way. I am a potential inventor--yes indeed. Ever since that cage accident in the 'See-Saw' mine I have been giving the vitally important subject of safety...

The Crucible Student Book

This edition of our successful series to support the Cambridge IGCSE Chemistry syllabus (0620) is fully updated for the revised syllabus from first examination from 2016.
