The Chevrolet Camaro set out to be competition for the Ford Mustang. Of all the contenders the crown of the

king of the 'ponycars' it was this little light-weight champion that delivered the knockout blow. It came out of the factory dressed in racing stripes and powered by 375-hp 396-ci V-8. The Mustang's aging design and lacked being able to comfortably fit the huge powerplants that Ford offered was its glass jaw. The first generation of the Camaro became a hit with the youth, to the drag racers, to mothers heading to the grocery store. It even cast a spell on a witch, when Samantha on TV's Bewitched loaded Tabitha up and drove out of the driveway of 1164 Morning Glory Circle in a pale blue 1967 Camaro convertible. It would also flex its muscles at the Indy 500 as a pace car in 1967 and again in 1969, where one of the best-looking paint jobs to come from the factory, was created. Even today, at any general car show, the Camaro will be the star of the show. This brings us to this guide which lists thousands of interchanges that will fit your classic 1967-1981 Camaro. This guide covers everything from the engine and transmission to sheet metal and glass, and also trim and nameplates. The Camaro Used Parts Buyers Guide is essential for any Camaro owner, and is loaded with over 200 photos and illustrations. No other guide has as much information. It will quickly become as well used as the screwdriver in your toolbox.
