Union's Endorsement of Henry Wallace's Progressive Party Bid of 1948

Wallace's Essay on the Dangers of American Fascism

Not Only Had He You Know Had He Talked the Talk but He Literally Has Had Been Walking that Walk for a Long Time and People Could Trust that He Would Be There Not Just for the Cameras but When It When It Really Mattered So Do We Have those Do We Have that Ability within the Democratic Party Enough of those People To Actually Transform the Party into People Who Go beyond those Sound Bites for the Media to Actual Action and Again I Think that's Going To Happen When these Activists Continue Their Work at the Grassroots Level in Union Halls in Places That Aren't Organized and Continue that Agitation To either Affect the Democratic Party or Move in Different Directions

And One of the Things That Big Money Takes Away Is the the Often Historically Has Taken Away the Likelihood of those Fights and so as as Sanders Identified a Way To Fund Campaigns with Small Donations That Makes It Much Easier To Mount those Challenges To Frankly Democrats Who Who Really Are Extensions of the Establishment Is Extensions of the Elites and It's Ai Think in this Sense We Have Entered into an Interesting Moment and One Where the Fight for the Soul of the Democratic Party Might Be Able To Take On New Challenges and Perhaps Be More Successful than It Has Been for a Good Long Time You Know the Idea that that You Should Be Thoughtful or Possibly Refrain from Voting for a for a for Not Just an Imperfect Candidate but a Candidate Who Represents all Kinds of Really Objectionable Things but Who Happens To Be a Democrat Is Not Something That the Establishment Tolerates At All Obviously in the Democratic Establishment I Mean So so It's Difficult to to To Reconcile those Two Notions that the Democratic Party's Reform Will Come When Powerful Entities That Support It like Labor Unions Withhold Endorsements unless unless the Democratic Party Does What's Good for Working People with this Overriding Notion that You Have To Vote Democrat

We Also Have To Fight for Working-Class People Who Are Being Disempowered Dispossessed Harmed in this Moment those Are Our First Struggles but We Should Understand that that in Moments like this Historically We Have Seen the Openings for a New Politics and a Better Politics It's no Coincidence that Franklin Roosevelt and Henry Wallace Came to Prominence in the 1930s in the Midst of a Great Depression and the Reason They Came to Prominence Was Not Exploiting the Great Depression but It Was Rather To Give Answers To Give Ideas Big Bold Ideas and the Fact of the Matter Is that in this Moment Progressives Need To Be Stepping Up and Making the Biggest Possible to Me this Is the Time To Put the Issues on the Table That Have Been Left Aside
