## **Confronting Recidivism**

This book addresses the core issues in prisoner reentry into society after incarceration. The chapters are written by academic scholars who have much experience researching and writing about prisoner reentry and by people who work in the field of prison reentry. Comprising reviews of empirical literature, this study is also supplemented by the workings of a reentry agency in the state of California. The focus of the work is to provide the best practices within prisoner reentry programs, to explore the barriers experienced by both prisoners and reentry agencies as they work toward the reentry of prisoners, and to discuss critical issues associated with prisoner reentry. The authors broach various topics regarding life after imprisonment, such as: the financial burden, problems faced by sex offenders, changing family dynamics and employment. An engaging and thought-provoking study, this book will be of particular interest to scholars of criminology theory, the justice system and sociology.

## **The Center for Community Problem Solving Reentry Guide**

After graduating, students in social work are faced with the daunting and stressful decision of choosing their specialty from the many that are available to them. Jessica Rosenberg has designed this guidebook to make this process easier, providing students with real world and practical information about what it is really like to work as a social worker. Each chapter covers a different practice setting, such as child welfare, gerontology, and addictions, and follows the same format. The Field Overview and Forecast describes the social worker's role, scope of services, and emerging issues and employment trends. The Critical Issues section consists of an interview with an established professional in his or her chosen field, offering a look into their personal journeys as they progressed through their careers. A vignette written by a practitioner in their area of specialty makes-up the First Person Narrative, providing the reader with a look at the joys and challenges of working in that particular field. Each chapter then concludes with helpful resources to learn more, such as books and websites, as well as information about specialty credentials and educational programs and centres. Those entering the social work field will find this an indispensable guide as they select their specialty and begin their career.

## **Working in Social Work**

The iron law of imprisonment is that “they all come back”. In 2002, more than 630,000 individuals left U.S. federal and state prisons. Thirty years ago, only 150,000 did. In this study, Travis describes the new realities of imprisonment, and explores the impact of returning prisoners on seven policy domains: public safety, families and children, work, housing, public health, civic identity, and community capacity. Travis proposes a new architecture for the criminal justice system, organized around five principles of reentry, to encourage change and spur innovation.

## **Resources in Education**

Ineffective assistance of counsel has become a National epidemic. This travesty is at the root of the Mass-Incarceration problem that currently plagues the American people. What's truly shocking is the years lost and the pain caused because of lawyers and judges who refuse to provide their honest service. You don't have to be a victim. Kelly Patrick Riggs has spent the last seven years in an intense study of advanced Habeas Corpus procedure and the ineffective assistance of counsel phenomenon. He has discovered that the ineffective assistance of counsel is the norm, rather than the exception, in the American criminal justice system. He has learned how to apply the relevant laws and procedures, and has guided many federal prisoners in their pursuit of Post-Conviction Relief. This book is one of the most comprehensive guides to understanding a lawyers obligations, to a client who is accused of a crime. It explains what you can expect from a competent lawyer in a criminal trial and how to stop the harm of counsel ineffectiveness before it becomes final. The material in this book has been endorsed and used by legal professionals Nationwide. It is now brought to the public and explained in a language that virtually anyone can understand. This book identifies and explains the constitutional right to counsel, it defines and explains what ineffective assistance of counsel is, and explains stage-by-stage what can be expected in a criminal trial. This book is a must have for anyone who is facing, or has faced, charges in a criminal court. The information it provides will help during trial, in preparing for direct appeal, and in the development of claims for Post-Conviction Relief. This is the first installment of a two volume set. This set is the most complete layman's guide for state and federal prisoners who seek Post-Conviction Relief in a U.S. District Court.
