Bone Rider

Riley and McClane are on the run when they partner up. They're on a road trip from hell, with the military and the mob hot on their trail.

Bone Rider (Deutsch)

Riley Cooper ist auf der Flucht. Misha Tokarev, die Liebe seines Lebens, hat sich als Auftragskiller der russischen Mafia entpuppt, und wenn Riley irgendwo eine Grenze zieht, dann bei vorsätzlichem, kaltblütigem Mord. Auch das außerirdische Verteidigungs- und Waffensystem McClane ist auf der Flucht. Unter anderem, weil er versehentlich für den Absturz seines Raumschiffs auf der Erde gesorgt hat. Mit dem Militär im sprichwörtlichen Nacken macht sich McClane auf die verzweifelte Suche nach einem Wirt, mit dem er sich verbinden und so seine komplette Auflösung verhindern kann. Riley kommt ihm da gerade recht. Ihre unfreiwillige Partnerschaft entwickelt sich mit der Zeit zu mehr, als sie sich jemals hätten vorstellen können. Gemeinsam begeben sie sich auf einen Roadtrip aus der Hölle, den Regierungstruppen und der Russen-Mafia immer nur eine Armlänge voraus. Und außerdem wäre da noch Misha, der wild entschlossen ist, Riley zurückzugewinnen. Seine Sorge um Rileys Sicherheit verbindet ihn mit McClane. Alien und Killer ziehen schon bald eine Spur der Verwüstung durch halb Texas. Riley hat alle Hände voll zu tun, sie da alle heil wieder herauszubekommen.

Bone Rider: Le Chevaucheur D'Os

Riley Cooper est en cavale. Misha Tokarev, l'amour de sa vie, s'est revele etre un assassin au service de la mafia russe, et Riley a toujours mis une limite a meurtre premedite dans sa charte des defaults acceptables. McClane, un systeme de protection extra-terrestre, est lui aussi en fuite, car il est responsable, d'une part, du crash accidentel d'un vaisseau spatial sur le territoire terrestre, et d'autre part d'avoir echappe a sa detention aux mains des forces armees americaines. Prototype defectueux, McClane etait prevu pour la casse. Son sabotage du vaisseau a mis un terme a son funeste destin, mais il a ete baptise chevaucheur d'os pour une bonne raison: il ne peut pas vivre sans un hote corporel. C'est pour ca qu'il finit par se cacher dans le corps de Riley. Leur partenariat reticent evolue bientot en quelque chose de bien plus puissant (et personnel) que tout

ce qu'ils auraient pu imaginer. Ensemble, ils embarquent sur un road-trip infernal, rendu encore plus exaltant par les troupes gouvernementales et les gros bras de la mafia qui leur collent aux trousses. Mais Misha est bien décidé à récupérer Riley et il est prêt à tout pour assurer sa sécurité. Quand un tueur à gages et un extra-terrestre allient leurs forces, ils découvrent très vite l'impressionnante étendue de leur potentiel de destruction. Il faudra toute la force et la détermination de Riley pour les guider à travers les ennuis qu'ils se créeront eux-mêmes.

Bred In The Bone

Book Excerpt. --Bring him back!" he called. As the young man returned, the older one asked, "Can he run?" "Run! Want to see him move!" Without waiting for an answer, he vaulted into the saddle and began to gather up the reins. The horse lifted his head and gathered himself together, but he did not move from his tracks. "Wait. How far is you come to-day?" demanded Robin. "About forty miles. I took it easy." He turned the horse's head. The old man gave an exclamation, part oath, part entreaty, and grabbed for the reins just as the boy was turning toward the track, where a whitewashed board fence stood over four feet high. "Wait--whar you gwine! Forty mile! Whar you gwine? Wait!" "Over into the track. That fence is nothing." He settled himself in the saddle, and the horse threw up his head and drew himself together. But old Robin was too quick for him. He clutched the rider by the leg with one hand at the same time that he seized the bridle with the other.

Slavery and the Enlightenment in the British Atlantic, 1750-1807

This book focuses on how Enlightenment ideas shaped plantation management and slave work routines. It shows how work dictated slaves' experiences and influenced their families and communities on large plantations in Barbados, Jamaica, and Virginia. It examines plantation management schemes, agricultural routines, and work regimes in more detail than other scholars have done. This book argues that slave workloads were increasing in the eighteenth century and that slave owners were employing more rigorous labor discipline and supervision in ways that scholars now associate with the Industrial Revolution.

Divine Authenticity of the Book of Mormon

When Marty Andrews gets bitten by a mutt, the hair on her legs starts growing at an alarming rate and her mood swings put her dream job as a cosmetic sales rep in serious jeopardy. Then a drool-worthy man shows up at her door claiming that he accidentally bit Marty. And since he's a werewolf, that means she is now, too...

The Accidental Werewolf

Ben Wisheart grew up in the idyllic town of Point Pleasant, West Virginia. An early encounter with the supernatural shaped his worldview and served as the catalyst for his career as a bestselling horror writer. Ben left Point Pleasant at the age of twenty. Thirteen years after abandoning his home, he returns to the town to investigate the apparent reemergence of the terrifying creature responsible for his childhood nightmares. In Point Pleasant, Ben is confronted not only by the town's resident monster, the Mothman, but also by his former best friend, Sheriff Nicholas Nolan. Together, Ben and Nicholas uncover the mystery of the monster in the woods and discover that the ghosts that haunt us are sometimes made of flesh and blood. And

sometimes, they lead us home. Point Pleasant is an illustrated novel and features over a dozen works of original art by Svetlana Fictionalfriend.

Point Pleasant

Agent Luke Bennett proved that humans could rise just as high in the ranks as their vampire colleagues--until a kidnapper held him captive for a year and turned him without his consent.

Across the Border

The second edition of this authoritative textbook continues the tradition of providing clear and concise descriptions of the new and classic concepts in financial theory. The authors keep the theory accessible by requiring very little mathematical background. First edition published by Prentice-Hall in 2001- ISBN 0130174467. The second edition includes new structure emphasizing the distinction between the equilibrium and the arbitrage perspectives on valuation and pricing, as well as a new chapter on asset management for the long term investor. \"This book does admirably what it sets out to do - provide a bridge between MBA-level finance texts and PhD-level texts.... many books claim to require little prior mathematical training, but this one actually does so. This book may be a good one for Ph.D students outside finance who need some basic training in financial theory or for those looking for a more user-friendly introduction to advanced theory. The exercises are very good.\" --Ian Gow, Student, Graduate School of Business, Stanford University Completely updated edition of classic textbook that fills a gap between MBA level texts and PHD level texts Focuses on clear explanations of key concepts and requires limited mathematical prerequisites Updates includes new structure emphasizing the distinction between the equilibrium and the arbitrage perspectives on valuation and pricing, as well as a new chapter on asset management for the long term investor

Dead Man Stalking

Intermediate Financial Theory

A lord in danger. A magician in turmoil. A snowball in hell. Exiled to China for twenty years, Lucien Vaudrey never planned to return to England. But with the mysterious deaths of his father and brother, it seems the new Lord Crane has inherited an earldom. He's also inherited his family's enemies. He needs magical assistance, fast. He doesn't expect it to turn up angry. Magician Stephen Day has good reason to hate Crane's family. Unfortunately, it's his job to deal with supernatural threats. Besides, the earl is unlike any aristocrat he's ever met, with the tattoos, the attitude...and the way Crane seems determined to get him into bed. That's definitely unusual. Soon Stephen is falling hard for the worst possible man, at the worst possible time. But Crane's dangerous appeal isn't the only thing rendering Stephen powerless. Evil pervades the house, a web of plots is closing round Crane, and if Stephen can't find a way through it-they're both going to die. Book 1 of the Charm of Magpies series.

Indigo Footsteps, Spatters of Red

Since 1929 the French expeditions directed by Cl. Schaeffer at the north Syrian port of Ugarit, have produced an intermittent stream of alphabetic tablets, most of which are written in a Semitic language not known as Ugaritic. In 1930, H. Bauer, E. Dhorme and Ch. Virolleaud deciphered enough of the alphabet independently, laying the foundations for the complete decipherment. The purpose of this Textbook is to provide a complete linguistic tool for the study of the Ugaritic tablets. The reader will find ample reference to the specific Ugaritic passages bearing on any point made.

An Historical Greek Grammar

Anxious to escape the confines of Regence society, if only for a little while, Prince Payton Townsend poses as an admiral's aide to further investigate a dangerous conspiracy. Payton plans only to use his computer skills to help navigate the tangled web of mystery and deceit on planet Englor, then return home, but he finds himself drawn to the charismatic Colonel Simon Hollister. Simon, however, is no mere soldier--he is heir to the throne of Englor, and his life is meticulously planned to include a bride and heir. Unlike Regence, the Regency society on Englor disapproves of same-sex relationships, and Payton and Simon's attraction plays out in a daring secret affair, one Simon never expected would grow into love. Risking scandal and certain ruin if they are discovered, Payton and Simon uncover more about a common enemy and a deadly plot that imperils both their worlds. But in this game of interplanetary intrigue, love might be the ultimate casualty....

The Magpie Lord

Magic in the blood. Danger in the streets. Lord Crane has never had a lover quite as elusive as Stephen Day. He knows Stephen's job as justiciar requires secrecy, but the magician is doing his disappearing act more than seems reasonable--especially since Crane will soon return to his home in China. When a blackmailer threatens to expose their illicit relationship, there's only one thing stopping Crane from leaving the country he loathes: Stephen. Stephen has problems of his own. As he investigates a plague of giant rats sweeping London, his sudden increase in power, boosted by his blood-and-sex bond with Crane, is rousing suspicion that he's turned warlock. With all eyes on him, the threat of exposure grows. Stephen could lose his friends, his job and his liberty over his relationship with Crane. He's not sure if he can take that risk much longer. Crane isn't sure if he can ask him to. The rats are closing in, and something has to give... Book 2 of the Charm of Magpies series.

The Secret Corresponding Vocabulary

Joel and Jethro. Roommates. Total hunks. Inseparable friends. Hot. Meet my fantasy boyfriends. Aren't they just the cutest thing? I know, right? They totally are. They are hot, too hot for a quiet—and obsessed with them—girl working in a bookshop. That'd be me, by the way. There's also the tiny problem of Joel wanting another girl. And as for Jethro, well... he doesn't do relationships. So it's fine to crush on them. And write a serial story on my blog in which we do crazy things. All three of us. Together. Whew. I mean, it's okay. It's perfectly safe. They'll never even know I exist, much less find out about my blog and my secret fantasy about them. Right? Yeah, that's what I thought, too.

Memorials of St. Michael's

Things have been rocky lately for brat Jayk and his dominant partner Amon. Jayk, a college dropout, recently returned to school, while Amon, the HR director at a major financial firm, faces pressure at work. Their D/s partnership suffers as Jayk deals with his stress by acting out, and Amon deals with his by cracking down. When Jayk and Amon wake one morning to find they've switched bodies, each is determined to prove he can handle his partner's life for a day. But as the chaos builds, their swap proves more confusing, enlightening--and sexier--than they'd anticipated.

Ugaritic Textbook

For over forty years, Charles Dawson lived in pioneer Nebraska in the area through which the westward expansion took place on the Oregon Trail. He saw the hardy pioneers make their way towards the land of their dreams. He was one of them. Indians, outlaws, frontier soldiers, and more were all a part of daily life along the Oregon Trail. Here is Dawson's classic memoir of the Old West during America's great migration. Every memoir of the American West provides us with another view of the westward expansion that

changed the country forever. Be sure to LOOK INSIDE by clicking the cover above or download a sample.
