English Grammar Rules 101

In an accessible style, the author demonstrates the link between grammar and vocabulary.

Rules, Patterns and Words

A straightforward guide to understanding English grammar This book is for people who have never thought about syntax, and who don't know anything about grammar, but who want to learn. Assuming a blank slate on the part of the reader, the book treats English grammar as a product of the speaker's mind, and builds up student skills by exploring phrases and sentences with more and more complexity, as the chapters proceed. This practical guide excites and empowers readers by guiding them step by step through each chapter with intermittent exercises. In order to capitalize on the reader's confidence as a personal authority on English, Understanding Sentence Structure assumes an inclusive definition of English, taking dialect variation and structures common amongst millions of English speakers to be a fact of natural language. Situates grammar as part of what the student already unconsciously knows Presupposes no prior instruction, not even in prescriptive grammar Begins analyzing sentences immediately, with the "big picture" (sentences have structure, structure can be ambiguous) and moves through levels of complexity, tapping into students' tacit knowledge of sentence structure Includes exercise boxes for in-chapter practicing of skills, side notes that offer further tips/encouragement on topics being discussed, and new terms defined immediately and helpfully in term boxes Applies decades of findings in syntactic theory and cognitive science, with an eye towards making English grammar accessible to school teachers and beginning students alike Understanding Sentence Structure: An Introduction to English Syntax is an ideal book for undergraduates studying modern English grammar and for instructors teaching introductory courses in English grammar, syntax, and sentence structure.

English Sentence Structure Review

If you're confused by commas, perplexed by pronouns, and plain terrified by tenses, English Grammar For Dummies will put your fears to rest. Packed with expert guidance, it covers everything from sentence basics to rules even your English teacher didn't know - if you want to brush up on your grammar, this is the only guide you'll ever need. Discover how to: avoid common grammatical errors; get to grips with apostrophes; structure sentences correctly; use verbs and find the right tense; and decide when to use slang or formal English.

English Sentence Structure

Part of the classic Michigan Rainbow series. English Sentence Structure presents and clarifies all facets of the sentence for beginning and intermediate students. Oral drills, examples, and written exercises form a pattern of regular review and self-evaluation. Each lesson is coordinated with English Pattern Practices.

Understanding Sentence Structure

~ Welcome to English Sentence Structure ~ This short 40 page booklet briefly describes the hierarchical assembly of English, starting with the alphabet and ending with sentences. Special focus is given to understanding 'modules,' which are groups of words that work together. Diagrams are presented to visually illustrate how sentences are constructed from words and modules. After reading this book you should understand the basics of English sentence construction and how thinking in modules makes English easier.

English Grammar For Dummies

This book presents sentence elements in a way that makes grammar learning effective. For ESL students who have learned some English but need to see the big picture of English grammar, this is the book for them. Students will be guided step by step, starting from the basics of what makes a sentence, and progressing to identifying various sentence structure types. Four sentence structure types are introduced in order of their increasing complexity. Each type is illustrated with diagrams and demonstrated with examples in passages. These passages can be used as models for students' writing assignments. Exercises in each stage utilize

concepts from the previous and current lessons. By the time they finish the six lessons in this book, students will have achieved mastery of English sentence structure.

English Sentence Structure and English Structure Practices
