Financial Accounting Study Guide

Written by E. John Larsen, the Study Guide contains an outline of the important points for each chapter, plus a variety of objective questions, short exercises, and a case. Answers are found at the end of each study guide chapter.

Management Accounting

This chapter-by-chapter learning aid systematically and effectively helps students study college accounting and get the maximum benefit from their study time. Each chapter provides a Summary Practice Test with fill-in-the-blanks, multiple choice, and true/false problems AND solutions to all the questions, and the Working Papers Working Papers contain tailor-made spreadsheets to all end-of-chapter problems.

Financial Accounting Study Guide

Clarified and updated to reflect the latest pronouncements, with extensive improvements to pedagogy and end-of-chapter assignments. Each chapter begins with a list of learning objectives. A series of margin notes alerts the student to the conceptual principles introduced at the beginning of the book. A comparison of accounting practices in foreign countries has also been added. End-of-chapter summaries, a list of key terms and interviews with men and women involved in different areas of the accounting profession have all been updated and expanded.

Financial & Managerial Accounting

The DSST Principles of Financial Accounting Passbook(R) prepares candidates for the DSST exam, which enables schools to award credit for knowledge acquired outside the normal classroom environment. It provides a series of informational texts as well as hundreds of questions and answers in the areas that will likely be covered on your upcoming exam, including but not limited to: general accounting concepts and principles; transactions; stock, earnings and dividends; financial statements; and more.

Financial Accounting

This is the Study Guide to accompany Accounting Principles, 10th Edition, Volume 1. Weygandt's Accounting Principles introduces challenging accounting concepts with examples that are familiar to accountants. The new edition has been updated with the latest IFRS/IASB standards. Additional coverage is included on foreign currency translation and LCM. More discussions focus on risk management as a result of the financial crisis. The examples also emphasize current examples in order to help accountants make the connection to their everyday lives.

Managerial Accounting

Each chapter includes review and explanation of the chapter learning objectives as well as multiple choice problems and short exercises. It includes appropriate working papers and a complete set of solutions.

Accounting Study Guide

Weygandt helps corporate managers see the relevance of accounting in their everyday lives. Challenging accounting concepts are introduced with examples that are familiar to them, which helps build motivation to learn the material. Accounting issues are also placed within the context of marketing, management, IT, and finance. The new Do It! feature reinforces the basics by providing quick-hitting examples of brief exercises. The chapters also incorporate the All About You (AAY) feature as well as the Accounting Across the

Organization (AAO) boxes that highlight the impact of accounting concepts. With these features, corporate managers will learn the concepts and understand how to effectively apply them.

Survey of Financial Accounting

Covers each chapter and appendix with reviews of learning objectives, outlines of the chapters, summaries of chapter materials, and additional problems with solutions.

Modern Advanced Accounting

Weygandt Accounting Principles starts with what students know. In the new Ninth Edition, students clearly see the relevance of accounting in their everyday lives and are therefore motivated to do the work assigned. Weygandt Accounting Principles introduces challenging accounting concepts with examples that are familiar to the student. This connection to their everyday lives helps build student motivation, a key driver of student time spent on assignments and ultimately their mastery of the concept.

Intermediate Accounting

Actively involves students in the learning process, ensuring that they understand the why as well as the how. Not only covers traditional and managerial issues but also will prepare students for accounting in the 21st century. Features an extensive developmental review process, a greater range of end-of-chapter information plus an integrated supplements package.
