A Lovely Love Story

Mr. Darcy and Miss Bennett. Ozzie and Harriet. Jay-Z and Beyonce. Great couples often find togetherness by embracing their individual differences. In this modern-day fable, Edward Monkton pens an irresistible love story about a fiercely funny but distant Dinosaur who falls in love with a forgetful but free-spirited (and shopping-savvy) Lovely Other Dinosaur. * Monkton, perhaps better known as the U.K.'s top-selling living poet Giles Andreae * This ode to love pairs Monkton's signature illustrations with simple yet profound prose.

Frankenstein - Third Edition

D.L. Macdonald and Kathleen Scherf's edition of Frankenstein has been widely acclaimed as an outstanding edition of the novel—for the general reader and the student as much as for the scholar. The editors use as their copy-text the original 1818 version, and detail in an appendix all of Shelley's later revisions. They also include a range of contemporary documents that shed light on the historical context from which this unique masterpiece emerged. New to this edition is a discussion of Percy Shelley's role in contributing to the first draft of the novel. Recent scholarship has provoked considerable interest in the degree to which Percy Shelley contributed to Mary Shelley's original text, and this edition's updated introduction discusses this scholarship. A new appendix also includes Lord Byron's "A Fragment" and John William Polidori's *The Vampyre*, works that are engaging in their own right and that also add further insights into the literary context of Frankenstein.

The Heart of the Wedding

TODAY'S COUPLES AND THE CELEBRATIONS THEY CHOOSE COME IN MANY VARIETIES The Heart of Wedding reconnects the marriage ritual to our twenty-first century lives. Gerald Fierst, celebrant, poet, and storyteller, fills chapter after chapter with examples of ceremonies showing that weddings need not be Victorian relics, but can be filled with a sense of fun and adventure, as well as common sense.

Acknowledging our multi-cultural nation where people of every race, Faith, and heritage meet and marry, this book celebrates the new America, respecting tradition while finding a contemporary voice to say I do. Gerry brings to this book the same care, precision and artistry I have seen him bring to all of his projects. By connecting life's passages with a larger vision of humanity past, present and future Gerry shows us a way to celebrate our families and ourselves. --Susan O Halloran, Director, RaceBridges, Chicago Illinois\

Always a Bridesmaid (for Hire)

In the tradition of Sloane Crosley, Mindy Kaling, and Katie Heaney, a hilarious and insightful memoir about

one New York City Millennial's journey to find herself, her dream career, and true love, all while juggling a truly unique job as the world's only professional bridesmaid. After moving to New York City in her mid-twenties to pursue her dream of writing—and not living on the “Upper East Side” of her parents' house anymore—Jen Glantz looked forward to a future of happy hours and Sunday brunches with her besties. What she got instead were a string of phone calls that began with, “Jen, I have something exciting to tell you!” and ended with, “I'd be honored if you would be my bridesmaid.” At first she was delighted, but it wasn't long before she realized two things: all of her assets were tied up in bridesmaid dresses, and she herself was no closer to finding The One. She couldn't do much about the second thing (though her mother would beg to differ), but she could about the first. One (slightly tipsy) night, Jen posted an ad on Craigslist advertising her services as a professional bridesmaid. When she woke up the next morning, it had gone viral. What began as a half-joke suddenly turned into a lifetime of adventure for Jen—and more insight into the meaning of love than she was getting from OKCupid—as she walked down the aisle at stranger after stranger's wedding. Fresh, funny, and surprisingly sweet, *Always a Bridesmaid (For Hire)* is an entertaining reminder that even if you don't have everything together, you can still be a total boss—or, at the very least, a BFF to another girl in need.
