AdrenalineMoto is an authorized dealer of Parts-Unlimited and claims no ownership or rights to this catalog. The Parts Unlimited 2014 Street catalog is more than “just a book.” It is designed to help you and your customers get the most out of your passion for powersports. It showcases the new, exciting, in-demand products, as well as highlighting trusted favorites. The well-organized catalog sections make it easy to find the items you want. And every part is supported with the latest fitment information and technical updates available. Looking for tires? See the Drag Specialties/Parts Unlimited Tire catalog. It has tires, tire accessories and tire/wheel service tools from all the top brands. And for riding gear or casual wear, see the Drag Specialties/ Parts Unlimited Helmet/Apparel catalog. Combine all three catalogs for the most complete powersports resource of 2014.

## **Honda NE/NB50 Vision and SA50 Vision Met-In Owners Workshop Manual**

A faithful reproduction of the 1970 Floyd Clymer publication of the official Honda Factory Workshop Manual specific to the n00 50cc Super Cub series of motorcycles. This manual includes all of the data that you would expect from a factory publication for the repair and overhaul of all major and minor mechanical and electrical components. It also includes a comprehensive trouble shooting section plus tables of technical data, tolerances and fits making it an invaluable resource for collectors and restorers of these classic Honda motorcycles. There are 136 illustrations and each procedure is explained in a step-by-step method using an appropriate illustration. The translation from Japanese to English is, at times, a little quirky but the illustrations make up for any difficulty in understanding what needs to be done! There are separate sections that deal with the repair and overhaul procedures for the engine, transmission, wheels and brakes, front forks, frame and carburetor, plus a detailed electrical service section. This is a - must have - reference for any Honda enthusiast and would certainly assist in helping any potential purchaser better understand the inner workings prior to purchasing one of these classic motorcycles. Out-of-print and unavailable for many years, this book is highly sought after on the secondary market and we are pleased to be able to offer this reproduction as a service to all Honda enthusiasts worldwide.
