

# READ IL DONO DELLA RABBIA E ALTRE LEZIONI DI MIO NONNO MAHATMA GANDHI

## Il dono della rabbia e altre lezioni di mio nonno Mahatma Gandhi

The grandson of Mahatma Gandhi shares ten vital and extraordinary life lessons imparted by the iconic philosopher and peace advocate, sharing Gandhi's particular insights into how emotions like anger can be guiltless motivational tools if properly used for good purposes.

### The Gift of Anger

'Anger is good. It is an energy that compels us to define what is right and wrong' - Mahatma Gandhi, to his grandson, Arun This major new work of non-fiction illuminates 10 vital, extraordinary life lessons taught to Arun Gandhi by his beloved grandfather. Told through the author's moving, often irreverent story of his years being raised at the iconic Sevagram ashram, Arun's charming memories of his grandfather are an engaging and often surprising read. They reveal a rare insight into Gandhi the man rather than the icon, but throughout are balanced with the inspirational lessons themselves. Arun believes that the violence in the world today makes Gandhi's teachings more vital than ever, and The Gift of Anger places these lessons in a modern context, shedding new light on how Gandhi's principles can - and must - be applied to today's concern

### The Gift of Anger

Un libro che parla di cambiamento, forza morale, coraggio, nonviolenza. In una parola, di umanità. Arun Gandhi aveva appena dodici anni quando i genitori lo portarono a Sevagram, il famoso ashram in cui Gandhi viveva. L'uomo che aveva combattuto per l'indipendenza dell'India, il leader morale del Paese, per lui era semplicemente "il nonno". L'Arun che giunse all'ashram era un ragazzino pieno di risentimento e incapace di esprimere le proprie emozioni. Durante gli anni in cui visse sotto l'ala del Mahatma, imparò a dominare la propria rabbia e a considerarla un dono in grado di motivarlo e di portare positività nell'universo che lo circondava. A questo fondamentale passo nella scoperta di sé ne seguirono altri. In dieci storie che sono altrettanti episodi della vita nel villaggio con il nonno, Arun Gandhi mette in luce insegnamenti di valore universale e insieme di grande utilità per cercare la via alla felicità e trovare una chiave di cambiamento in sé e nel mondo complesso e ferito in cui viviamo. Il suo racconto ci offre anche un ritratto intimo e toccante di una figura leggendaria, un'immagine inedita dell'uomo dietro il grande leader.

## Il dono della rabbia e altre lezioni di mio nonno Mahatma Gandhi

Arun Gandhi tenía tan sólo doce años de edad cuando sus padres lo dejaron al cuidado de su abuelo. Para Arun, el hombre que luchó por la independencia de la India era simplemente alguien de su familia. El tiempo que convivió con él fue de autodescubrimiento: aprendió a ver el mundo con nuevos ojos, a través de enseñanzas universales y atemporales acerca de la identidad, la ira, la soledad, la amistad y la familia. El don de la ira relata la vida cotidiana del filósofo más querido de la India, y transmite las lecciones que dejó a su nieto y a la humanidad entera. En el mundo de hoy, sus ideas sobre el fanatismo, la discriminación, la unidad y la paz son más necesarias que nunca. "No debemos avergonzarnos de la ira. Es una cosa muy buena y poderosa que nos motiva. Pero de lo que sí debemos avergonzarnos es de la forma en que abusamos de ella."

Mahatma Gandhi

## **El don de la ira**

10 Wege zu Frieden und Gewaltlosigkeit Arun Gandhi ist der Enkel Mahatma Gandhis. Als 12-Jähriger erlebte er den bedeutenden und einflussreichen Friedensaktivisten aus nächster Nähe. Zwei Jahre lang lebte er gemeinsam mit ihm im Ashram Sevagram in Zentralindien. Während dieser Zeit lehrte sein Großvater ihn die zehn wichtigsten Lektionen des Lebens, ein Vermächtnis, das Arun in diesem Buch mit uns teilt. So enthält jedes Kapitel eine zeitlose Lektion Mahatma Gandhis. Allmählich lernt Arun die Welt in der Obhut seines geliebten Großvaters neu zu sehen. Und gemeinsam mit ihm durchdringt auch der Leser Fragen zum Umgang mit Wut, zur Identität, zu Depression, Verschwendung, Einsamkeit, Freundschaft und Familie. Mahatma Gandhi hat mit seiner Lehre die Welt verändert. Seine Idee des Widerstands durch Ungehorsam und Gewaltlosigkeit haben Tausende, darunter Martin Luther King und Nelson Mandela, inspiriert. Sein Vermächtnis an seinen Enkelsohn kann uns allen Orientierung geben in diesen schwierigen Zeiten.

## **Wut ist ein Geschenk**

Tristi, frustrate, deluse o, più onestamente, furiose? Considerate la rabbia un'emozione da reprimere? Oppure la fate esplodere come un'eruzione vulcanica, irrazionale e irrefrenabile? Da sempre la rabbia è considerata un'emozione sgradevole e deprecabile, dalla cattiva fama. Questo vale in particolare per le donne: di fatto, una donna che esprime liberamente la propria rabbia viene definita stizzosa, isterica o eccessivamente drammatica. Per questo, le donne hanno più degli uomini la tendenza a rimuoverla e a mimetizzarla, in primis a se stesse, dietro il volto dell'amezza, della delusione, del dolore. Tutto, tranne che il suo. Eppure, dietro ogni arrabbiatura c'è un bisogno non soddisfatto e, sovente, un potenziale non sfruttato, che sarebbe invece molto più conveniente saper comprendere e accogliere. A questo scopo, Schmale-Riedel ha indagato come questa emozione si declina nell'universo femminile, per scoprire le peculiarità con cui le donne la vivono e come possono trasformarla in un loro punto di forza. Questo libro e gli esercizi pratici in esso proposti vi aiuteranno a riconoscere e sciogliere varie tipologie di collera e a sfruttare gli strumenti dati da quest'emozione per la crescita personale, in quanto prezioso orientamento verso la vostra vera identità, i vostri valori e i vostri veri bisogni.

## **La rabbia delle donne**

From an award-winning novelist, a stunning portrait of late Raj India—a sweeping saga and a love story set against a background of huge political and cultural upheaval. **YOU ASK FOR MY NAME, THE REAL ONE, AND I CANNOT TELL. IT IS NOT FOR LACK OF EFFORT.** In 1930, a great ocean wave blots out a Bengali village, leaving only one survivor, a young girl. As a maidservant in a British boarding school, Pom is renamed Sarah and discovers her gift for languages. Her private dreams almost die when she arrives in Kharagpur and is recruited into a secretive, decadent world. Eventually, she lands in Calcutta, renames herself Kamala, and creates a new life rich in books and friends. But although success and even love seem within reach, she remains trapped by what she is . . . and is not. As India struggles to throw off imperial rule, Kamala uses her hard-won skills—for secrecy, languages, and reading the unspoken gestures of those around her—to fight for her country's freedom and her own happiness.

## **The Sleeping Dictionary**

In this breathtaking companion to the award-winning *Grandfather Gandhi*, Arun Gandhi, with Bethany Hegedus, tells a poignant, personal story of the damage of wastefulness, gorgeously illustrated by Evan Turk. At Grandfather Gandhi's service village, each day is filled, from sunrise to sunset, with work that is done for the good of all. The villagers vow to live simply and non-violently. Arun Gandhi tries very hard to follow these vows, but he struggles with one of the most important rules: not to waste. How can throwing away a worn-down pencil hurt anyone? How can wastefulness lead to violence? With the help of his

grandfather, Arun learns how every wasteful act, no matter how small, affects others. And in time he comes to understand the truth of his grandfather's words: "Be the change you wish to see in the world."

## **Be the Change**

A fascinating introduction to Zen principles and learning.

## **Zen in the Art of Archery**

»Arun Gandhi verfolgt die Mission, das Erbe seines Großvaters weiterzutragen: Frieden, Freiheit, gewaltloser Widerstand gegen das Unrecht dieser Welt.« SÜDDEUTSCHE ZEITUNG Der große Pazifist Mahatma Gandhi hat mit Sanftmut die Welt verändert. Arun Gandhi versammelt seine 150 wichtigsten Aphorismen zu Themen wie Frauen, Frieden, Gewaltlosigkeit, Gerechtigkeit, Moral oder Freiheit. Sie haben bis heute nichts an ihrer Brisanz und Aktualität eingebüßt. Begleitet wird der Band von Texten Arun Gandhis, in denen er sich an die Begegnungen mit seinem Großvater erinnert und von den Ereignissen erzählt, durch die Mahatma Gandhi zu seinen zeitlosen Einsichten gelangte. Dabei liegt Arun Gandhi besonders am Herzen, den bedingungslosen Aufruf seines Großvaters zum Frieden in die Welt zu tragen, gerade heute, angesichts der prekären Lage, in der sich unsere Welt befindet.

## **Sanftmut kann die Welt erschüttern**

Pramod Kapoor, the founder and publisher of Roli Books (established in 1978), is a connoisseur of images. A sepia aficionado, he has over the course of his illustrious career conceived and produced award-winning books that have proven to be game changers in the world of publishing. Be it the hit 'Then and Now' series and the seminal Made for Maharajas, or even the internationally acclaimed New Delhi: The Making of a Capital. In 2016, he was conferred with the prestigious 'Chevalier de la Legion d'Honneur (Knight of the Legion of Honour), the highest civil and military award in France, for his contribution towards producing books that have changed the landscape of Indian publishing and to promoting India's tangible and intangible heritage within the country and abroad. His first book as author, Gandhi: An Illustrated Biography, is the result of years of painstaking research on a subject close to his heart. Kapoor is dedicated towards decoding Gandhi for the modern generation.

## **Gandhi: An Illustrated Biography**

Recenti sondaggi confermano che in molti considerano gli Stati Uniti la forza militarmente e geopoliticamente più destabilizzante sullo scacchiere globale e dunque il maggior pericolo per la pace mondiale. Come mai? La più grande potenza al mondo non ha ottenuto questo triste primato per caso. A partire dal 1945, nessun'altra nazione ha bombardato così tanti Stati stranieri e rovesciato così tanti governi quanto gli USA. Nessun'altra nazione ha più avamposti militari, esporta più armi e possiede una quantità maggiore di armamenti. Per questo, scrive Ganser, nessuna nazione più degli USA costituisce oggi una minaccia per il principio della "famiglia umana", secondo cui l'umanità è caratterizzata da relazioni reciproche fondamentali intrasgredibili. Nel corso della Storia, però, tale principio è stato ripetutamente trasgredito. Alcuni membri della famiglia umana ne sono stati esclusi a causa della loro provenienza geografica, della loro religione, del colore della loro pelle o del loro genere. Alla luce di questo principio, assunto come stella polare dal movimento pacifista, l'autore valuta gli sviluppi della politica americana, ripercorrendone i momenti fondamentali, dallo sterminio degli indiani fino ai recenti scandali legati a Cambridge Analytica (connessi con quello che è definito "imperialismo digitale"). Viene così delineato un quadro storico che riflette lo strutturarsi della società americana, la quale, ben lungi dal costituire un esempio di democrazia, si rivela un'oligarchia sostenuta da forti interessi economici e caratterizzata dalla quasi assoluta assenza di valori etici. Ma, come tutti gli imperi, anche gli USA sono destinati a cadere, avverte Ganser. Scritto in uno stile agile e basato su un'analisi rigorosa, Breve storia dell'impero americano descrive in modo impressionante i retroscena, i motivi e gli strumenti della lotta americana per il potere mondiale –

una lotta in cui la violenza è un elemento centrale. A partire dal 1945, nessun'altra nazione ha bombardato così tanti Stati stranieri e rovesciato così tanti governi quanto gli USA. Nessun'altra nazione ha più avamposti militari, esporta più armi e possiede una quantità maggiore di armamenti.

## **Breve storia dell'impero americano**

Mahatma Gandhi's grandson tells the story of how his grandfather taught him to turn darkness into light in this uniquely personal and vibrantly illustrated tale that carries a message of peace. How could he—a Gandhi—be so easy to anger? One thick, hot day, Arun Gandhi travels with his family to Grandfather Gandhi's village. Silence fills the air—but peace feels far away for young Arun. When an older boy pushes him on the soccer field, his anger fills him in a way that surely a true Gandhi could never imagine. Can Arun ever live up to the Mahatma? Will he ever make his grandfather proud? In this remarkable personal story, Arun Gandhi, with Bethany Hegedus, weaves a stunning portrait of the extraordinary man who taught him to live his life as light. Evan Turk brings the text to breathtaking life with his unique three-dimensional collage paintings.

## **Grandfather Gandhi**

This self-help guide shows the reader step-by-step how to perform at their peak while gaining emotional and financial freedom, attaining leadership and self-confidence, and winning the confidence of others. It should enable the reader to gain the knowledge and courage to remake themselves.

## **Unlimited Power**

Kastur Kapadia was betrothed to the mighty Mahatma Gandhi, father of modern India, when they were both just seven years old. The couple married when they were thirteen and Kastur had five children, the first of whom was born when she was sixteen. Though Gandhi's name has become synonymous with asceticism, this biography reveals that he enjoyed a sensuous, loving relationship with Kastur. *Daughter of Midnight* is the result of a lifetime of research by Arun Gandhi, grandson of Mahatma and Kastur. As well as recounting historical events behind the birth of a nation, *Daughter of Midnight* is also a love story, which ended with the terrible tragedy of Gandhi's assassination by a Hindu extremist in New Delhi in 1948. Though Gandhi's strength and resolution defeated all the resources of the British Empire he was not always confident, the author reveals. When the young Gandhi, as a barrister in Bombay, could not open his mouth for fear during his first ever court case, Kastur consoled him and soothed the humiliation he felt at being laughed at by his contemporaries. The woman who shared Gandhi's sorrows, his triumphs and his tragedies also knew the flaws and human frailties of the great leader. Together Mahatma and Kastur laid the foundations for the movement of nonviolence to which they devoted their lives. When Mahatma was imprisoned, Kastur was often jailed with him. No obstacle was too great for this extraordinary woman who gave up a life of wealth for one of utter poverty. When Kastur died the whole nation wept for the woman the people called simply 'Ba'...Mother.

## **Daughter Of Midnight - The Child Bride of Gandhi**

Beginning with the achievements of Mahatma Gandhi, and following the legacy of nonviolence through the struggles against Nazism in Europe, racism in America, oppression in China and Latin America, and ethnic conflicts in Africa and Bosnia, Michael Nagler unveils a hidden history. Nonviolence, he proposes, has proven its power against arms and social injustice wherever it has been correctly understood and applied. Nagler's approach is not only historical but also spiritual, drawing on the experience of Gandhi and other activists and teachers. Individual chapters include *A Way Out of Hell*, *The Sweet Sound of Order*, and *A Clear Picture of Peace*. The last chapter includes a five-point blueprint for change and a "study circle" guide. The foreword by Arun Gandhi, the grandson of Mahatma Gandhi, is new to this edition.

## **The Search for a Nonviolent Future**

Gandhi was an icon, but what would he teach us if he were alive today? \_\_\_\_\_ Arun Gandhi reveals his Grandfather's ten vital and extraordinary lessons, more relevant than ever, in his SUNDAY TIMES BESTSELLING, *The Gift* (formerly published as *The Gift of Anger*) . . . The moving, often irreverent, story of Arun's years growing up at the iconic Sevagram ashram provides the setting for the treasured moments spent with his grandfather, which are an engaging and often surprising read. These memories give a rare insight into Gandhi the man behind the icon, and reveal the motivations behind his ten inspirational lessons. Arun believes that the violence in the world today makes Gandhi's teachings more vital than ever, and *The Gift* places these lessons in a modern context, shedding new light on how Gandhi's principles can - and must - be applied to today's concerns. 'Anger is good. It is an energy that compels us to define what is right and wrong' - Mahatma Gandhi, to his grandson, Arun

## **The Gift**

A biography of the revered Indian leader explores his early career in South Africa, the forging of his political activism, his influence, triumphs, and failures in India, and the development of his philosophy of nonviolence

## **Gandhi**

This novel, set in Austria in the 30s is about musical passions and jealousy. It begins with the purchase at an auction of a 300-year-old violin with an unusual carving at the top of the neck - a precise reproduction of a man's face. The new owner is plunged almost immediately into the instrument's strange history.

## **Canone Inverso**

In true McInerney style, this new collection of stories examines post 9/11 America in all its dark and morally complex glory. His characters include a young woman holed up in a remote cabin while her (married) boyfriend campaigns for the highest of all offices, a couple whose sexual experiments cross every line imaginable, a young socialite called home to nurse her mother and an older one scheming for her next husband. From the streets of downtown New York during the 2003 anti-war march and the lavish hotel rooms of the wealthy social elite, to a husband and wife who share a marital bed with a pot-bellied pig, the people in these stories search for meaning while struggling against each other, colliding as the old world around them fractures and dissolves into a modern era full of new uncertainties, where ghosts of loss hang in the air. McInerney's writing has crackling humour and a feverish, clear-sighted brilliance that perfectly underpins the lives of people living in modern America. These stories are deftly constructed, subtle, insightful and heartbreaking. Steeped in history but yet alive in the present - this new collection is a companion to the sweet madness of life

## **The Last Bachelor**

Start a transformative journey to well-being with 'A Guide to Health'. While commonly known as a leader of the non-cooperation movement, it may come as a surprise that Mahatma Gandhi is also an authority on health and disease. In this original and practical guide, Gandhi shares his profound observations and revolutionary doctrines on the practicality of maintaining good health. Drawing on thirty years of personal experience and deep study, he challenges conventional views and offers compelling insights into the mind-body connection. From the laws of prevention to the best methods of cure, Gandhi's wisdom on nutrition, exercise, dress, and the control of the mind will inspire readers to take charge of their own well-being.

## **A Guide to Health**

This commentary on the Bhagavad Gita, the daily scripture for over 1 billion people, is designed to unlock its

depthless wisdom with striking clarity and focus for a modern audience.

## **The Essence of the Bhagavad Gita**

Arun Gandhi is the fifth grandson of Mahatma (Mohandas) and Kastur Gandhi through his second son Manilal Gandhi. Together with his late wife Sunanda, the couple have generated an extraordinary read in *The Forgotten Woman: The Untold Story of Kastur Gandhi*. Here is a book that is not only informative and accessible, but also graced by an elegance and sensitive understanding of a grandmother who was far from being ignorant or clueless as to the importance of her husband's mission in life. Kastur Gandhi wife of Mahatma Gandhi. Arun informs his readers in the introduction that he refuses to believe that his grandmother Kastur was incompetent as this was not his experience, nor that of his parents. Although she may not have been formally educated and could not read or write, upon reading this fascinating book we discover she certainly was far from being an unaware and a blundering fool. And as Arun states: "without her unstinted cooperation Grandfather could not have achieved the spiritual heights that he did." Beginning with an account of the Satyagraha struggle which Gandhi led in South Africa for seven years, Kastur had to give up a great deal and make sacrifices while living an austere life that many a woman would have rebelled against and probably would have also thrown out their husbands. There is even an anecdote where Mahatma wanted to turf out Kastur from their home. Perhaps initially she may not have understood her husband's technique of passive resistance that ruled out both verbal and physical violence, however, eventually she did come around to accept its principles as she championed it and embraced it whole heartedly. As Arun mentions, "that even though she could not, on her own account, accept any of her husband's peculiar new notions unless she was convinced he was right, she would always try to understand his way of thinking and, whenever possible, acquiesce to his wishes." What I found astonishing was her acceptance of her husband's harsh and sometimes cruel treatment of their children, herself, relatives and others.

## **The Forgotten Woman**

Mahatma Gandhi became famous as the leader of the Indian independence movement, but he called himself "a man of God disguised as a politician." *The Way to God* demonstrates his enduring significance as a spiritual leader whose ideas offer insight and solace to seekers of every practice and persuasion. Collecting many of his most significant writings, the book explores the deep religious roots of Gandhi's worldly accomplishments and reveals—in his own words—his intellectual, moral, and spiritual approaches to the divine. First published in India in 1971, the book is based on Gandhi's lifetime experiments with truth and reveals the heart of his teachings. Gandhi's aphoristic power, his ability to sum up complex ideas in a few authoritative strokes, shines through these pages. Individual chapters cover such topics as moral discipline, spiritual practice, spiritual experience, and much more. Gandhi's guiding principles of selflessness, humility, service, active yet nonviolent resistance, and vegetarianism make his writings as timely today as when these writings first appeared. A foreword by Gandhi's grandson Arun and an introduction by Michael Nagler add useful context. From the Trade Paperback edition.

## **Everything You Know is Wrong**

Disillusioned with organized religion, some people escape into New Age movements and others retreat from their spiritual moorings altogether. A more satisfying and transformative option is to embark on a quest to discover God on your own. Using time-tested tools of spiritual investigation, it becomes possible to examine your present beliefs, explore the nature of God and sense of self, and ultimately expand your identity. This book is a classic and introduces readers to an age-old approach to spiritual inquiry. Included are seventeen universal techniques for developing a personal relationship with God and broadening your view of yourself, others, and all of life.

## **The Way to God**

Robert McKee's screenwriting workshops have earned him an international reputation for inspiring novices, refining works in progress and putting major screenwriting careers back on track. Quincy Jones, Diane Keaton, Gloria Steinem, Julia Roberts, John Cleese and David Bowie are just a few of his celebrity alumni. Writers, producers, development executives and agents all flock to his lecture series, praising it as a mesmerizing and intense learning experience. In *Story*, McKee expands on the concepts he teaches in his \$450 seminars (considered a must by industry insiders), providing readers with the most comprehensive, integrated explanation of the craft of writing for the screen. No one better understands how all the elements of a screenplay fit together, and no one is better qualified to explain the \"magic\" of story construction and the relationship between structure and character than Robert McKee.

## **God Without Religion**

\"Born in 1934 in South Africa, where he was subject to the daily injustices of apartheid, and raised in a family dedicated to nonviolent social reform, Dr. Gandhi writes with rare authority and insight. His narrative draws primarily upon the experiences as a youth in India, where he lived with his grandfather during the last eighteen months of the Mahatma's life.

## **Story**

Amid the rubble of a city blasted by a civil war that many fear will cross borders and engulf Europe, the Hotel Florida on Madrid's chic Gran Via has become a haven for foreign journalists and writers. It is here that six people meet and find their lives changed forever. Ernest Hemingway, his career stalled, his marriage sour, hopes that this war will give him fresh material and a new romance; Martha Gellhorn, an ambitious young journalist hungry for love and experience, thinks she will find both with Hemingway in Spain. Robert Capa and Gerda Taro, idealistic and ground-breaking young photographers based in Paris, want to capture history in the making and are inventing modern photojournalism in the process. And Arturo Barea, chief of the Republican government's foreign press office, and Ilsa Kulcsar, his Austrian deputy, are struggling to balance truth-telling with their loyalty to their sometimes-compromised cause - a struggle that places both of their lives at risk. *Hotel Florida* traces the tangled wartime destinies of these three couples - and a host of supporting characters - living as intensely as they had ever done, against the backdrop of a critical moment in history. It is a narrative of love and reinvention that is, finally, a story about truth, finding it, telling it - and living it, whatever the cost.

## **Legacy of Love**

This is the second book in the Peaceful Warrior Saga. Neither a sequel nor prequel, this adventure takes place within the context of the original book, shedding new light on the path he was to travel, and would one day teach. After a period of training with the man he calls Socrates, Dan Millman is sent away by his old mentor to apply what he has learned to everyday life. Struggling with personal failure and growing disillusion, Dan sets out on a worldwide quest to rediscover the sense of clarity, meaning and purpose he found with Socrates. Then a long-forgotten memory drives Dan to seek a mysterious woman shaman in Hawaii. She is the gateway to all his hopes and fears — and the only one who can prepare him for what may follow. Deep in a rain forest on the island of Molokai, Dan encounters mortal challenges, vivid characters, and startling revelations as he ascends the peaceful warrior's path toward the light that shines at the heart of creation. In this compelling tale, the author breathes new life into ancient wisdom and reminds us that all our journeys are sacred, and all our lives an adventure.

## **Hotel Florida**

## **Sacred Journey of the Peaceful Warrior**

“There must be a revolution in our thinking,” declares the author, J. Krishnamurti (1895-1986), who remains one of the greatest philosophers and teachers of modern times. In this series of lectures, given in the U.S. and various cities throughout the world in the 1950s, he again confronts the habitual, projection-making mind, which fails to see what is while it absorbs itself in belief and illusion. Topics covered in these essays include: the process of change at all levels; the development of discipline; quieting the mind; self-awareness; and freedom from slavery to mind. While we humans are constantly making superficial modifications of our circumstances, such gestures never lead to a radical transformation characterized by clarity, lack of prejudice, spontaneity, genuine peace and happiness. People would rather line up behind some leader, or a particular religious teaching, following the dictates of some outside authority, than to think for themselves, Krishnamurti explains. Sadly, “most of our existence is spent in that way—trying to live up to something, trying to bring about a change in our attitude, to change according to the pattern which we have projected as an ideal, as a belief.” Only by rigorous self-observation and self-questioning is there any hope that humankind will overcome its blindness and self-obsession enough to bring about an end of violence, war and other misery on this beleaguered planet.

## **Brave New World Revisited**

When Aldous Huxley wrote his famous novel *Brave New World*, he did so with the sincere belief that the dystopian world he created was a true possibility given the direction of the social, political and economic world order. Written almost thirty years later, *Brave New World Revisited* is a re-evaluation of his predictions based on the changes he had witnessed in the meantime. In this twelve-part essay, Huxley argues that society is moving toward his dystopian vision even faster than he had originally assumed, and provides his own suggestions on how to bring an end to this decadent decline. *Brave New World Revisited* condemns symptoms of modern life such as overpopulation, propaganda and extreme government control while providing a staunch defence of individualism. Despite being published over fifty years ago, the problems identified in *Brave New World Revisited* are still startlingly relevant, lending a chilling credibility to Aldous Huxley’s unsettling predictions. HarperTorch brings great works of non-fiction and the dramatic arts to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperTorch collection to build your digital library.

## **Ramanama**

In *It's Getting Later All the Time*, an epistolary novel with a twist, Antonio Tabucchi—“internationally acclaimed as the most original voice in the new generation of Italian writers” (The Harvard Book Review)—revitalizes an illustrious tradition, only to break all its rules. From Italy, an epistolary novel like no other, full of Tabucchi's special “enchantment, which trans-figures even as it captivates” (TLS). In *It's Getting Later All the Time*, an epistolary novel with a twist, Antonio Tabucchi—“internationally acclaimed as the most original voice in the new generation of Italian writers” (The Harvard Book Review) revitalizes an illustrious tradition, only to break all its rules. Seventeen men write seventeen strangely beautiful letterstender or rancorouslylonely monologues which move in circles, each describing an affair, and each desperate for a reply which may never come. The letters plunge the reader into an electric, timeless no-man's-land of “this past that is always somewhere, hanging in shreds.” And at last, collecting all their one-sided, remorseful adventures into a single polyphonic novel, an 18th letter startlingly answers the men's pleas: a

woman's voice, distant, implacable, yet full of sympathy. It's Getting Later All the Time captures destinies which, though so varied in appearance, are at rock bottom all the same: broken. This is an anti-Proustian noveltime lost is lost forever: it is impossible to get back to the past no matter how it haunts the present. As Tabucchi remarked, \"Broken time is a dimension you find lots of men living in...an ambiguous, impossible situation, because they are faced with a kind of remorse, a choice they never made.\"

## **The Revolution from Within**

Collects Amazing Spider-Man (2018) #32-36. The future is in danger! Miguel O'Hara, the Spider-Man of 2099, is back in the present day - and he needs to find Peter Parker! But since Miguel's being held in an off-the-books Roxxon prison, that's easier said than done. He needs a plan, and fast - because his mysterious return to the here and now threatens his entire future! Meanwhile, J. Jonah Jameson has a new scheme - and the modern-day Spider-Man has his hands full with classic villains, family problems and international incidents! As the web-slingers of two eras see their troubles converge, the fate of everything may rest with Peter, Miguel and Victor Von Doom?! What villain could be so heinous to call for a Doom and Spidey team-up? And what does it all have to do with Silver Sable?

## **Brave New World Revisited**

Deep in the heart of Africa is Wakanda, a technologically advanced civilization of great power and mystery. During the last ten centuries, as European colonial powers spread their guns, armies, and undisputed domination throughout the continent, Wakanda has stood alone as an unconquerable land inhabited by undefeatable warriors. Governing this nation is a lineage of warrior-kings possessing enhanced speed, strength, and agility. Today, T'Challa is the latest in this famed family line, the great hero known worldwide as the Black Panther. Despite the futile defeats of the past, outsiders are once more assembling to invade Wakanda and plunder its riches. Leading this brutal assault is Klaw, a deadly assassin with the blood of T'Challa's murdered father on his hands. Klaw brings with him a powerful army of super-powered mercenaries, all hell-bent on raining death and destruction on this pristine land. Even with Wakanda's might and his own superhuman skills, can the Black Panther prevail against such a massive invading force? Collects Black Panther #1-6 and Fantastic Four #52-53.

## **It's Getting Later All the Time**

'As a writer, Carrère is straight berserk' Junot Díaz In this non-fiction novel – road trip, confession, and erotic tour de force – Emmanuel Carrère pursues two consuming obsessions: the disappearance of his grandfather amid suspicions that he was a Nazi collaborator in the Second World War; and a violently passionate affair with a woman that he loves but which ends in destruction. Moving between Paris and Kotelnich, a grisly post-Soviet town, Carrère weaves his story into a travelogue of a journey inward, travelling fearlessly into the depths of his tortured psyche.
