

READ ONLINE GAY LESBIAN HISTORY FOR KIDS THE CENTURY LONG STRUGGLE FOR LGBT RIGHTS WITH 21 ACTIVITIES FOR KIDS SERIES

Gay & Lesbian History for Kids

Part of the popular For Kids series, this book puts the historic struggle for LGBT equality into perspective. Given today's news, it would be easy to get the impression that the campaign for LGBT equality is a recent development, but it is only the final act in a struggle that started more than a century ago. This timely resource helps put recent events into context for kids ages nine and up. After a brief history up to 1900, each chapter discusses an era in the struggle for LGBT civil rights from the 1920s to today. The history is told through personal stories and firsthand accounts of the movement's key events like the 1950s "Lavender Scare," the Stonewall Inn uprising, and the AIDS crisis. Readers will learn about civil rights mavericks, like Dr. Magnus Hirschfeld, founder of the first gay rights organization; Phyllis Lyon and Del Martin, who turned the Daughters of Bilitis from a lesbian social club into a powerhouse for LGBT freedom; and Harvey Milk, the first out candidate to win a seat on the San Francisco Board of Supervisors. Also chronicled are the historic contributions of famous LGBT individuals, and 21 activities enliven the history. Kids can write a free verse poem like Walt Whitman, learn the Madison line dance, design an AIDS quilt panel, and write a song parody to learn about the spirited ways in which the LGBT community has pushed for positive social change.

No Way, They Were Gay?

"History" sounds really official. Like it's all fact. Like it's definitely what happened. But that's not necessarily true. History was crafted by the people who recorded it. And sometimes, those historians were biased against, didn't see, or couldn't even imagine anyone different from themselves. That means that history has often left out the stories of LGBTQIA+ people: men who loved men, women who loved women, people who loved without regard to gender, and people who lived outside gender boundaries. Historians have even censored the lives and loves of some of the world's most famous people, from William Shakespeare and Pharaoh Hatshepsut to Cary Grant and Eleanor Roosevelt. Join author Lee Wind for this fascinating journey through primary sources—poetry, memoir, news clippings, and images of ancient artwork—to explore the hidden (and often surprising) Queer lives and loves of two dozen historical figures.

Unconditional

Providing Support if Your Child is Transgender or LGBTQ+ Winner of the Sixth Annual Bisexual Book Award for Non-fiction, 2017 #1 Bestseller in Lesbian Studies *Unconditional* is a parenting guide book that provides parents of an LGBTQ (lesbian, gay, bisexual, transgender, or questioning) child with a framework for helping their LGBT child navigate a world that isn't always welcoming. Tips from a mother with experience. In *Unconditional*, author Telaina Eriksen, a professor at Michigan State University, explains what she and her husband have learned through the experience of parenting a gay child. She covers topics like how to handle kids coming out, being an advocate for LGBTQ+ children, how to help your child deal with stress unique to LGBTQ+ kids, and finding a LGBTQ+ family. This book is a must read for anyone who thinks their child is transgender or otherwise LGBTQ+. A guide for supporting your LGBT child. What if my

child is transgender? Eriksen covers the science of gender, understanding gender dysphoria, and how to help a transgender child through the stages of development. What if I have more general LGBTQ+ family needs? Throughout the book, both parents and kids share their stories, and Eriksen directs parents to various resources online for help. This LGBT family book teaches the principles of unconditional parenting, love, and learning. Inside, learn: How to advocate for policies that protect your child Ways to educate well-meaning, but misguided friends or family Strategies keep your kid talking if your child is transgender or LGBTQ+ Signs of unhealthy relationships When to consider therapy for your child or your family How to find an LGBTQ+ community (including inclusive churches) If you liked LGBT books, best sellers like *The Gender Identity Guide for Parents*, *The Savvy Ally*, or *The End of Gender*, you'll love *Unconditional*.

The Gay Rights Movement

A lot has changed throughout the history of the gay rights movement. In 1969, the Stonewall Riots brought light to a movement that would later establish gay pride parades and persist in the fight for same-sex marriage. But allies and LGBTQ+ community members are still fighting for progress today. What are the gay rights movement's main concerns today? And what challenges has the movement faced? Learn about the key people and events that have paved the way for the modern gay rights movement and how members from the LGBTQ+ community have joined the cause to advocate for equal rights.

The Early History of the Gay Rights Movement

In the contemporary era, gay and lesbian activism is part of the intersectional LGBTQ+ community, but this wasn't always so. This book explains why the need for the fight for nonheteronormative rights emerged in the nineteenth century. It goes into how the fight itself began to pick up steam in the 1950s and '60s as small groups of radicals grew into a national movement for social justice. Activists across the LGBTQ+ spectrum confront police and government officials, join forces with labor and civil rights struggles, and help reshape the modern world.

The Gay Liberation Movement

This book explains the emergence of the modern gay liberation movement, from its early years prior to the Stonewall riots of 1969 and its continuation into the 1970s. Readers will learn about the Stonewall riots, the Compton's cafeteria riot, the Gay Liberation Front, the Lavender Menace, and more. This book also discusses the contributions of important people such as Harvey Milk, Audre Lorde, and many others. The difficulties and legacies of that era will become clear to students who may know only the outline of the early history of the movement.

Inside the LGBTQ+ Movement

The first American gay rights organization formed in 1924, but was soon pressured to disband. Another wouldn't form until the 1950s. The history of the U.S. movement to achieve progressive rights for people who identify as lesbian, gay, bisexual, transgender, transsexual, or queer is full of stops and starts and victories and tragedies, but also hope for the future. This important and timely volume describes a topic of history often glossed over and a movement that is still working to effect change. Key figures are featured as well as crucial events, both past and present.

The Human Rights Imperative in Teacher Education

This book combines theory, practice, and purpose. Readers will encounter the work of leading scholars in human rights education to see how HRE is understood, taught, lived, and practiced in the Global North and Global South.

Towards Queer Literacy in Elementary Education

This book blends multiple research studies, historical and current events, reflective teaching examples, and guidance for LGBTQ+ inclusion and queer pedagogy in elementary schools. It is divided into three sections to guide the readers from a broad understanding of the histories of LGBTQ+ discriminations, rights, and some communities' resistance to LGBTQ+ children, teachers, and curriculum to a focused invitation into the author's own reflections, teaching, and discussions with children about LGBTQ+ literature and topics. The volume provides histories, theoretical and methodological inquiry, resources, and encouragement for teacher-researchers ready to engage LGBTQ+-inclusion and queer literacy pedagogy in their classrooms, schools, and communities.

The Ultimate Guide for Gay Dads

If you are thinking of becoming a gay dad ? or if you are already a gay dad ? this book is for you! Are you ready to have kids? More and more gay men are turning to adoption and surrogacy to start their own families. An estimated two million American LGBTQ people would like to adopt and an estimated 65,000 adopted children are living with a gay parent. In 2016, The Chicago Tribune reported that 10 to 20 percent of donor eggs went to gay men expanding their families via surrogacy, and in many places the numbers were up 50 percent from the previous five years. Gay parenting: Having a kid is like coming out all over again, on a daily basis, especial if you have an infant. Was coming out stressful for you? It's about to get more intense and you will have a child watching your every move and listening to your every word. If you stutter or pause, they may pick up on your discomfort and could start to feel like something is wrong about their family unit. The Ultimate Guide For Gay Dads is jam packed with parenting tips and advice to help you build confidence and become the awesome gay dad you were meant to be! How Is This Parenting Guide Different From Others? Unlike other parenting books that have whole chapters focusing on things specifically related to mothers (such as how to get the perfect latch when breastfeeding), this parenting book replaces those sections with things relevant to gay dads. It covers topics like how to find LGBT friendly pediatricians, how to find LGBT friendly schools, how to childproof your home with style, how to answer awkward and prying questions about your family from strangers, examples for what two-dad families can do on Mother's Day, and much more. The book also includes parenting tips and advice from pediatricians, school educators, lawyers, and other same-sex parents. Top LGBT parenting expert: Bestselling author Eric Rosswood covers every aspect of fatherhood for gay men in this essential guide to growing your family in the post-DOMA era. He is a major influencer on social media with over 100,000 followers on Twitter alone, as well as thousands on other platforms. Exploring LGBTQ issues: Rosswood is an in-demand authority and commentator on LGBTQ issues, including civil rights, parenting, marriage and politics. The author has been featured in major media including The Washington Post, Cosmopolitan, CBS News, The Huffington Post, Elite Daily, Yahoo! News, AOL News, NY Daily News, IB Times, and regional LGBTQ press.

Public Library Collections in the Balance

A fascinating and informative read for librarians, library staff, and MLIS students, this book offers practical information and professional guidelines to examine current issues in censorship and libraries while also enabling readers to consider their own opinions about intellectual freedom. This book addresses contemporary issues in censorship and intellectual freedom and can serve as an invaluable resource for librarians and other library staff and as an eye-opening read for MLIS students. It covers the waterfront of intricate and thorny issues regarding intellectual freedom, including determining strategies for patron privacy, deciding how to filter public computers, handling challenges to items in a collection, and recognizing and eliminating under-the-radar self-censorship during collection development and weeding. Readers will also gain an understanding of the perils of over-reliance on community assessments and other evaluative tools and consider important concerns of public library employees, such as whether to restrict borrowing privileges of R-rated movies and M-rated video games to patrons of various ages, and the legalities that surround these questions. Each chapter blends instructive background narrative with practical advice, research findings, and

relevant information about librarianship's professional guidelines, including the ALA's Library Bill of Rights and the Freedom to Read Statement. Vignettes, "what would you do?" examples, effective nonconfrontational techniques for conflict resolution, and lists of tips and traps help readers to think critically about their own biases and rehearse possible responses to controversial situations. Librarians, library staff, and MLIS students can use this book for personal professional development, as supplemental reading for MLIS courses or professional training workshops, or as a resource for library policy-planning discussions.

Representing the Rainbow in Young Adult Literature

Discussions of gender and sexuality have become part of mainstream conversations and are being reflected in the work of more and more writers of fiction, particularly in literature aimed at young adult audiences. But young readers, regardless of their sexual orientation, don't always know what books offer well-rounded portrayals of queer characters and situations. Fortunately, finding positive role models in fiction that features LGBTQ+ themes has become less problematic, though not without its challenges. In *Representing the Rainbow in Young Adult Literature: LGBTQ+ Content since 1969*, Christine Jenkins and Michael Cart provide an overview of the literary landscape. An expanded version of *The Heart Has Its Reasons*, this volume charts the evolution of YA literature that features characters and themes which resonate not only with LGBTQ+ readers but with their allies as well. In this resource, Jenkins and Cart identify titles that are notable either for their excellence—accurate, thoughtful, and tactful depictions—or deficiencies—books that are wrongheaded, stereotypical, or outdated. Each chapter has been significantly updated, and this edition also includes new chapters on bisexual, transgender, and intersex issues and characters, as well as chapters on comics, graphic novels, and works of nonfiction. This book also features an annotated bibliography and a number of author-title lists of books discussed in the text that will aid teachers, librarians, parents, and teen readers. Encompassing a wider array of sexual identities, *Representing the Rainbow in Young Adult Literature* is an invaluable resource for young people eager to read about books relevant to them and their lives.

Integrating Literature in the Disciplines

The Second Edition of this practical and comprehensive resource offers a multitude of ways to incorporate literature into teaching and learning across a range of disciplines. Future and practicing teachers, librarians, instructional coaches, and school leaders can implement the ideas within this text to improve the literacy skills and knowledge of students, while also addressing standards and curricular goals of various content areas. The new edition recognizes a paradigm shift from content areas to disciplines, reflecting the specific ways reading and writing are used in different fields of study. Updated with current research and practices, the volume recommends and evaluates books in different genres and categories, with chapters on informational books; fiction; biography and memoir; poetry; and hands-on and how-to books. For every category, Kane provides a rationale, instructional strategies, and author studies, as well as lists and descriptions of books related to curricular areas. With a wealth of activities and new BookTalks, this Second Edition is greatly revised and features expanded attention to technology, digital learning, diversity, and culture. Using this text will create opportunities for deep discussions and will stimulate students' interest and motivation to read and learn. *Integrating Literature in the Disciplines* helps educators identify books that fit with any subject to enhance the creative and affective dimensions of school life; encourages interdisciplinary connections; and increases the depth and relevance of lessons. It is ideal for professional development and serves as a tool for Readers' Advisory to match books with readers throughout the school day and beyond.

A Little Gay History of Wales

A Little Gay History of Wales tells the compelling story of Welsh LGBT life from the Middle Ages to the present day. Drawing on a rich array of archival sources from across Britain, together with oral testimony and material culture, this pioneering study is the first to examine the experiences of ordinary LGBT men and women, and how they embarked on coming out, coming together and changing the world. This is the story of

poets who wrote about same-sex love and translators who worked to create a language to describe it; activists who campaigned for equality and politicians who created the legislation providing it; teenagers ringing advice lines for guidance on coming out, and revellers in the pioneering bars and clubs on a Friday and Saturday night. It is also a study of prejudice and of intolerance, of emigration and isolation, of HIV/AIDS and Section 28 – all features of the complex historical reality of LGBT life and same-sex desire. Engaging and accessible, absorbing and perceptive, this book is an important advance in our understanding of Welsh history.

The Way Back from Broken

Rakmen Cannon's life is turning out to be one sucker punch after another. His baby sister died in his arms, his parents are on the verge of divorce, and he's flunking out of high school. The only place he fits in is with the other art therapy kids stuck in the basement of Promise House, otherwise known as support group central. Not that he wants to be there. Talking doesn't bring back the dead. When he's shipped off to the Canadian wilderness with ten-year-old Jacey, another member of the support group, and her mom, his summer goes from bad to worse. He can't imagine how eight weeks of canoeing and camping could be anything but awful. Yet despite his expectations, the vast and unforgiving backcountry just might give Rakmen a chance to find the way back from broken . . . if he's brave enough to grab it. Amber J. Keyser's debut novel is a wrenching and brutally honest story of adversity and hope.

The Advocate

The Advocate is a lesbian, gay, bisexual, transgender (LGBT) monthly newsmagazine. Established in 1967, it is the oldest continuing LGBT publication in the United States.

Making History

Covering the years from 1945 through 1990, this critically acclaimed book weaves together the personal stories of individuals from a variety of backgrounds to provide a richly rewarding history of the dramatic campaign for gay and lesbian rights. "Both inspiring and heart-wrenching".--New York Times Book Review. 30 photographs.

The Advocate

The Advocate is a lesbian, gay, bisexual, transgender (LGBT) monthly newsmagazine. Established in 1967, it is the oldest continuing LGBT publication in the United States.

How It Feels to Have a Gay or Lesbian Parent

Sometimes I fantasize about having a magic wand. How awesome it would be to wave it and completely eliminate prejudice, hate, and ignorance. Just imagine what it would be like to live in a world like that. *How It Feels to Have a Gay or Lesbian Parent: A Book by Kids for Kids of All Ages* gives voice to the thoughts, feelings, and experiences of children, adolescents, and young adults who have a gay or lesbian parent. In their own words, they talk openly and candidly about how and when they learned of their parent's sexual orientation and the effect it had on them—and their families. Their stories echo themes of prejudice and harassment, conflict and confusion, adaptation and adjustment, and hope for tolerance and a family that can exist in harmony. "Because it's an issue for other people, it becomes an issue for me. I'm angry about the way it works against me." The stories told in *How It Feels to Have a Gay or Lesbian Parent* not only reflect the day-to-day struggle of children with a GLBT parent, they also reveal the pain inherent in high-conflict divorce and child custody cases. Children of gay/lesbian parents ranging in age from seven to 31 recall the confusion and grief created when the disclosure of their parent's true sexual orientation ended a marriage and

divided a family. The “straight” parent’s resentment can lead to angry remarks that—intentionally or unintentionally—disparage the gay/lesbian parent and threaten the natural love and affection the child feels for both. “I guess the hardest part about having a gay dad is that no matter how okay you are with it, there’s always going to be someone who will dislike you because of it.” The one-on-one interviews presented in *How It Feels to Have a Gay or Lesbian Parent* document first-hand the effects of homophobia on family life. Children struggle with the choice between living in a closet, shamed by peers and family members, or dealing with discrimination as a parent’s sexual orientation is used against them. Taken together, these stories make a statement for acceptance, understanding, and tolerance as children do their best to make the transition from a traditional family to a nontraditional lifestyle. “My mom is a normal person just like everyone else. The only thing that’s different about her is that she’s gay and if you can’t deal with it, you’re just going to have to live with it.” *How It Feels to Have a Gay or Lesbian Parent: A Book by Kids for Kids of All Ages* offers comfort and support to children from those who share their journey. The book is a valuable aid for practitioners working with children of GLBT parents and an educational tool for GLBT adults considering children.

Understanding and Teaching U.S. Lesbian, Gay, Bisexual, and Transgender History

Understanding and Teaching U.S. Lesbian, Gay, Bisexual and Transgender History is the first book designed for teachers of U.S. history at all levels who want to integrate queer history into the standard curriculum. Bringing together inspiring narratives from teachers in high schools and universities, informative topical chapters about significant historical moments and themes, and innovative essays about sources and interpretive strategies well-suited to the history classroom, this volume is a valuable resource for anyone who thinks history should be an inclusive story.

The Engagement

A NEW YORK TIMES NOTABLE BOOK OF THE YEAR • The riveting story of the conflict over same-sex marriage in the United States—the most significant civil rights breakthrough of the new millennium
“Full of intimate details, battling personalities, heated court cases, public persuasion.” —John Williams, *The New York Times* On June 26, 2015, the U.S. Supreme Court ruled that state bans on gay marriage were unconstitutional, making same-sex unions legal across the United States. But the road to that momentous decision was much longer than many know. In this definitive account, Sasha Issenberg vividly guides us through same-sex marriage’s unexpected path from the unimaginable to the inevitable. It is a story that begins in Hawaii in 1990, when a rivalry among local activists triggered a sequence of events that forced the state to justify excluding gay couples from marriage. In the White House, one president signed the Defense of Marriage Act, which elevated the matter to a national issue, and his successor tried to write it into the Constitution. Over twenty-five years, the debate played out across the country, from the first legal same-sex weddings in Massachusetts to the epic face-off over California’s Proposition 8 and, finally, to the landmark Supreme Court decisions of *United States v. Windsor* and *Obergefell v. Hodges*. From churches to hedge funds, no corner of American life went untouched. This richly detailed narrative follows the coast-to-coast conflict through courtrooms and war rooms, bedrooms and boardrooms, to shed light on every aspect of a political and legal controversy that divided Americans like no other. Following a cast of characters that includes those who sought their own right to wed, those who fought to protect the traditional definition of marriage, and those who changed their minds about it, *The Engagement* is certain to become a seminal book on the modern culture wars.

It Gets Better

Every story can change a life. Watch a video *Growing up isn't easy*. Many young people face daily tormenting and bullying, making them feel like they have nowhere to turn. This is especially true for LGBT kids and teens who often hide their sexuality for fear of bullying. Without other openly gay adults and mentors in their lives, they can't imagine what their future may hold. In many instances, gay and lesbian

adolescents are taunted - even tortured - simply for being themselves. After a number of tragic suicides by LGBT students who were bullied in school, syndicated columnist and author Dan Savage uploaded a video to YouTube with his partner Terry Miller to inspire hope for LGBT youth facing harassment. Speaking openly about the bullying they suffered as teenagers, and how they both went on to lead rewarding adult lives, their video launched the It Gets Better Project YouTube channel and initiated a worldwide phenomenon. With over 6,000 videos posted and over 20 million views in the first three months alone, the world has embraced the opportunity to provide personal, honest and heartfelt support for LGBT youth everywhere. It Gets Better is a collection of expanded essays and new material from celebrities, everyday people and teens who have posted videos of encouragement, as well as new contributors who have yet to post videos to the site. While many of these teens couldn't see a positive future for themselves, we can. We can show LGBT youth the levels of happiness, potential and positivity their lives will reach if they can just get through their teen years. By sharing these stories, It Gets Better reminds teenagers in the LGBT community that they are not alone - and it WILL get better.

History Comics: The Stonewall Riots

Turn back the clock with History Comics! In this graphic novel, experience the Stonewall Riots firsthand and meet iconic activists like Marsha P. Johnson and Sylvia Rivera. Three teenagers—Natalia, Jax, and Rashad—are magically transported from their modern lives to the legendary Stonewall Inn in the summer of 1969. Escorted by Natalia's eccentric abuela (and her pet cockatiel, Rocky), the friends experience the police raid firsthand and are thrown into the infamous riots that made the struggle for LGBTQ rights front-page news.

Hidden from History

Winner of two Lambda Rising Awards. "A landmark of a book and a landmark of ideas that will shatter ignorance and delusion." -Catharine Stimpson.

Pride: The Story of Harvey Milk and the Rainbow Flag

JUNIOR LIBRARY GUILD SELECTION • Celebrate Pride and its iconic rainbow flag--a symbol of inclusion and acceptance around the world-- with the very first picture book to tell its remarkable and inspiring history! "Pride is a beacon of (technicolor) light." --Entertainment Weekly In this deeply moving and empowering true story, young readers will trace the life of the Gay Pride Flag, from its beginnings in 1978 with social activist Harvey Milk and designer Gilbert Baker to its spanning of the globe and its role in today's world. Award-winning author Rob Sanders's stirring text, and acclaimed illustrator Steven Salerno's evocative images, combine to tell this remarkable - and undertold - story. A story of love, hope, equality, and pride.

Rethinking the Gay and Lesbian Movement

Now in its second edition, Rethinking the Gay and Lesbian Movement provides an accessible overview of an important and transformational struggle for social change, highlighting key individuals and events, influential groups and organizations, major successes and failures, and the movement's lasting effects and unfinished work. Focusing on four decades of social, cultural, and political change in the second half of the twentieth century, Marc Stein examines the changing agendas, beliefs, strategies, and vocabularies of a movement that encompassed diverse actions, campaigns, ideologies, and organizations. From the homophile activism of the 1950s and 1960s through the rise of gay liberation and lesbian feminism in the 1970s to the multicultural and AIDS activist movements of the 1980s, this book provides a strong foundation for understanding gay, lesbian, bisexual, transgender, and queer politics today. This new edition reflects the substantial changes in the field since the book's original publication eleven years ago. Rethinking the Gay and Lesbian Movement will be valued by everyone interested in LGBTQ struggles, the politics of movement activism, and the

history of social justice in the United States.

Radical Relations

In *Radical Relations*, Daniel Winunwe Rivers offers a previously untold story of the American family: the first history of lesbian and gay parents and their children in the United States. Beginning in the postwar era, a period marked by both intense repression and dynamic change for lesbians and gay men, Rivers argues that by forging new kinds of family and childrearing relations, gay and lesbian parents have successfully challenged legal and cultural definitions of family as heterosexual. These efforts have paved the way for the contemporary focus on family and domestic rights in lesbian and gay political movements. Based on extensive archival research and 130 interviews conducted nationwide, *Radical Relations* includes the stories of lesbian mothers and gay fathers in the 1950s, lesbian and gay parental activist networks and custody battles, families struggling with the AIDS epidemic, and children growing up in lesbian feminist communities. Rivers also addresses changes in gay and lesbian parenthood in the 1980s and 1990s brought about by increased awareness of insemination technologies and changes in custody and adoption law.

From Prejudice to Pride: A History of LGBTQ+ Movement

A rare and inspiring retelling of the LGBTQ+ movement's struggle for civil rights. *From Prejudice to Pride* looks at the rise and achievements of the LGBTQ+ movement and the different communities, pioneers and stories of heartbreak and courage that have marched alongside it. Perfect for readers aged 11 and upwards, this book will inspire courage and pride in young LGBTQ+ people and help answer questions for all readers interested in gender and identity. Follow LGBTQ+ history from ancient civilisations to the present-day, and learn about key events including the trial of Oscar Wilde, the Stonewall riots, the AIDS crisis, same-sex marriage and changing laws that have impacted on LGBTQ+ life. Gain insight into the shifting attitudes that have challenged lesbian, gay, bisexual and transgender people and the experiences that help us understand what it means to be LGBTQ+ today. Filled with photographs documenting LGBTQ+ life from the past and present, and from around the world.

The Advocate

The *Advocate* is a lesbian, gay, bisexual, transgender (LGBT) monthly newsmagazine. Established in 1967, it is the oldest continuing LGBT publication in the United States.

Being a Super Trans Ally!

If you care about making your home, school and community a safer and more accepting place for people of all genders, then this book is for you! What can you do to be an ally to your transgender, non-binary and gender-expansive friends and family? Everyone needs allies who can support them through challenges, and through engaging with the activities in this book you can develop into an action-oriented Super Trans Ally! Packed full of activities such as self-reflective questions, journal prompts and role plays, this interactive workbook is perfect for helping young people aged 10+ to reflect on gender, develop their compassion, and discover what skills and talents they can bring to being a Super Trans Ally. The eBook version of this book is fully interactive and editable throughout.

Making Gay History

“Rich and often moving . . . at times shocking, but often enlightening and inspiring: oral history at its most potent and rewarding.” — *Kirkus Reviews* A completely revised and updated edition of the classic volume of oral history interviews with high-profile leaders and little-known participants in the gay rights movement that cumulatively provides a powerful documentary look at the struggle for gay rights in America. From the Boy

Scouts and the U.S. military to marriage and adoption, the gay civil rights movement has exploded on the national stage. Eric Marcus takes us back in time to the earliest days of that struggle in a newly revised and thoroughly updated edition of *Making History*, originally published in 1992. Using the heartfelt stories of more than sixty people, he carries us through a compelling five-decade battle that has changed the fabric of American society. The rich tapestry that emerges from *Making Gay History* includes the inspiring voices of teenagers and grandparents, journalists and housewives, from the little-known Dr. Evelyn Hooker and Morty Manford to former vice president Al Gore, Ellen DeGeneres, and Abigail Van Buren. Together, these many stories bear witness to a time of astonishing change, as queer people have struggled against prejudice and fought for equal rights under the law.

The Gay Revolution

A chronicle of the modern struggle for gay, lesbian and transgender rights draws on interviews with politicians, military figures, legal activists and members of the LGBT community to document the cause's struggles since the 1950s.

The Invention of Heterosexuality

“Heterosexuality,” assumed to denote a universal sexual and cultural norm, has been largely exempt from critical scrutiny. In this boldly original work, Jonathan Ned Katz challenges the common notion that the distinction between heterosexuality and homosexuality has been a timeless one. Building on the history of medical terminology, he reveals that as late as 1923, the term “heterosexuality” referred to a “morbidity of sexual passion,” and that its current usage emerged to legitimate men and women having sex for pleasure. Drawing on the works of Sigmund Freud, James Baldwin, Betty Friedan, and Michel Foucault, *The Invention of Heterosexuality* considers the effects of heterosexuality’s recently forged primacy on both scientific literature and popular culture. “Lively and provocative.”—Carol Tavis, *New York Times Book Review* “A valuable primer . . . misses no significant twists in sexual politics.”—Gary Indiana, *Village Voice Literary Supplement* “One of the most important—if not outright subversive—works to emerge from gay and lesbian studies in years.”—Mark Thompson, *The Advocate*

United Queerdom

Throughout the 1970s the Gay Liberation Front (GLF) initiated an anarchic campaign that permanently changed the face of Britain. Inspired by the Stonewall uprisings in the US, the GLF demanded a 'Absolute Freedom For All' worldwide. Yet half a century on, injustice is rife and LGBT+ inequality remains. Complete LGBT+ liberation means housing rights, universal healthcare, economic freedom and so much more. Although many people believe queers are now free and should behave, assimilate and become palatable – Dan Glass shows that the fight is far from over. *United Queerdom* evocatively captures over five decades of LGBT+ culture and protest from the GLF to 2020s. Showing how central protest is to queer history and identity this book uncovers the back-breaking hard work as well as the glamorous and raucous stories of those who rebelled against injustice and became founders in the story of queer liberation.

The Gay Liberation Movement

This book explains the emergence of the modern gay liberation movement, from its early years prior to the Stonewall riots of 1969 and its continuation into the 1970s. Readers will learn about the Stonewall riots, the Compton's cafeteria riot, the Gay Liberation Front, the Lavender Menace, and more. This book also discusses the contributions of important people such as Harvey Milk, Audre Lorde, and many others. The difficulties and legacies of that era will become clear to students who may know only the outline of the early history of the movement.

The Big Book of LGBTQ+ Activities

With 5 fun tales featuring merpeople, a rainbow wedding and a back-to-front horse, this captivating guide to LGBTQ+ identities takes you on a journey through Clear Sky Castle to promote inclusion for children aged 6 to 9. The interactive stories and games - including drawing, sculpting, word searches and quizzes - raise awareness of different kinds of families, as well as identities such as gay, lesbian, bisexual, transgender and non-binary, and teach acceptance for all. The resourceful 'Guide for Adults' at the end of the book offers advice, answers to activities throughout, and signposts to helpful organisations for the adult reading the book with the child.

Rainbow Relatives

Whether you have your own questions because you're preparing to come out to your kids, or you aren't sure how to explain to your kids why their uncle has a boyfriend or why their friend has two mommies, this book can help. With an entertaining and educational approach to educating yourself and your peers about the issues and topics surrounding the LGBTQ+ community, Rainbow Relatives will provide answers to your kids' questions and help you raise them to be open-minded and accepting adults. First and foremost, this book will help you approach the conversations you need to have and predict what you can expect from them. Author Sudi Karatas tells a variety of stories, such as that of a Mormon woman's transition from fighting against gay rights to becoming a crusader for them. Also included are the voices of filmmakers, actors, musicians, mental health professionals, and more. Through Rainbow Relatives, Karatas helps parents support, advocate for, and educate their children, relatives, and family friends.

Now that You Know

"One of the most important books about gay people yet published, Now that you Know is a challenging and enlightening guide for the 20 to 40 million parents in the United States who may be faced with the knowledge that a son or daughter is homosexual. It was written by two mothers of gay children and draws on dozens of candid interviews with gay men and women and their parents. The authors discuss the nature of homosexuality, its effect on the lives and careers of children, the prospects for gay relationships, and the troubling question of religion. They tell parents how to respond supportively to gay children and how to keep families together in a bond of understanding and affection. Finally, they describe the nationwide Parents of Gays groups, which encourage parents to share their experiences and learn to help one another."--Publisher's description.

We Are Your Children

A gorgeously illustrated, accessible celebration of queer activism, by the creator of the award-winning Suffragette, David Roberts. Touching on major moments in the story of the fight for LGBTQ+ rights including the Stonewall Uprising, the first Gay Pride Rally and the dazzling history of drag and the ballroom scene, We Are Your Children is a wide-ranging and inclusive account of a multifaceted movement, with detailed and characterful colour artwork. This book showcases figures from queer history like Harvey Milk, Julian Hews, Carla Toney, Crystal LaBeija, We Wha, Vincent Jones, Marsha P. Johnson, Alan Turing, Sylvia Rivera and many more. From the secret slang adopted by gay Londoners in the 60s, to the decades of sit-ins and marches, there are countless fascinating stories to be told: stories of resistance, friendship, love, fear, division, unity and astonishing perseverance in the face of discrimination and oppression.
