This comprehensive 136-page hardcover overview of the world of Pathfinder provides everything you need to know for a lifetime of adventure in the Age of Lost Omens! The god of prophecy is dead, leaving heroes just like you to carve their own destinies out of an uncertain future! The Lost Omens World Guide is your key to understanding the big picture and your hero's role within it! A gorgeous two-sided giant poster map of the Pathfinder world provides a beautiful accompaniment to a gazetteer featuring 10 geographically and thematically contiguous regions that combine to create a fantasy world packed with diverse and deadly possibilities! Each region also includes suggested character backgrounds and archetypes to more deeply root your character in their surroundings. Designed for both players and Game Masters, this indispensable guidebook is your first look at the future of the Pathfinder world!

Lost Omens World Guide

It's easier than ever to build a new product. But developing a great product that people actually want to buy and use is another story. Build Better Products is a hands-on, step-by-step guide that helps teams incorporate strategy, empathy, design, and analytics into their development process. You'll learn to develop products and features that improve your business's bottom line while dramatically improving customer experience.

Build Better Products

All pricing decisions are not logical! People also buy at one price and not at another for psychological reasons -- many of which they don't understand. Yet these psychology-based choices have been documented by pricing strategy experts in tests of hundreds of millions of consumers.* How to change your price by a couple of pennies -- and get 10-20% MORE ORDERS.* How to raise prices -- and get MORE ORDERS. You might believe there is no such thing as too-low pricing. But you'd be wrong. In 1992, I launched Ancillary Profits newsletter (sold to magazine publishers) at a price under \$100. A few months later, I tested that price vs. one well over \$100 -- a 31% price increase. What should have happened? A common \"rule of thumb\" in marketing says raising prices by 10% will decrease orders by 10%. Thus I should have received 31% LESS orders. Instead my orders went up by 11%! At a 31% higher price! That means I got to pocket 45% MORE CASH for the very same product. Pricing Psychology Report details dozens of pricing psychology quirks you can use to both increase your profits AND have happier customers. Read this for pricing changes you can make TODAY to increase your cash.

Pricing Psychology Report

With his stunning debut novel, *She's Come Undone*, Wally Lamb won the adulation of critics and readers with his mesmerizing tale of one woman's painful yet triumphant journey of self-discovery. Now, this brilliantly talented writer returns with *I Know This Much Is True*, a heartbreaking and poignant multigenerational saga of the reproductive bonds of destruction and the powerful force of forgiveness. A masterpiece that breathtakingly tells a story of alienation and connection, power and abuse, devastation and renewal--this novel is a contemporary retelling of an ancient Hindu myth. A proud king must confront his demons to achieve salvation. Change yourself, the myth instructs, and you will inhabit a renovated world. When you're the same brother of a schizophrenic identical twin, the tricky thing about saving yourself is the blood it leaves on your bands--the little inconvenience of the look-alike corpse at your feet. And if you're into

both survival of the fittest and being your brother's keeper--if you've promised your dying mother--then say so long to sleep and hello to the middle of the night. Grab a book or a beer. Get used to Letterman's gap-toothed smile of the absurd, or the view of the bedroom ceiling, or the influence of random selection. Take it from a godless insomniac. Take it from the uncrazy twin--the guy who beat the biochemical rap. Dominick Birdsey's entire life has been compromised and constricted by anger and fear, by the paranoid schizophrenic twin brother he both deeply loves and resents, and by the past they shared with their adoptive father, Ray, a spit-and-polish ex-Navy man (the five-foot-six-inch sleeping giant who snoozed upstairs weekdays in the spare room and built submarines at night), and their long-suffering mother, Concettina, a timid woman with a harelip that made her shy and self-conscious: She holds a loose fist to her face to cover her defective mouth--her perpetual apology to the world for a birth defect over which she'd had no control. Born in the waning moments of 1949 and the opening minutes of 1950, the twins are physical mirror images who grow into separate yet connected entities: the seemingly strong and protective yet fearful Dominick, his mother's watchful "monkey"; and the seemingly weak and sweet yet noble Thomas, his mother's gentle "bunny." From childhood, Dominick fights for both separation and wholeness--and ultimately self-protection--in a house of fear dominated by Ray, a bully who abuses his power over these stepsons whose biological father is a mystery. I was still afraid of his anger but saw how he punished weakness--pounced on it. Out of self-preservation I hid my fear, Dominick confesses. As for Thomas, he just never knew how to play defense. He just didn't get it. But Dominick's talent for survival comes at an enormous cost, including the breakup of his marriage to the warm, beautiful Dessa, whom he still loves. And it will be put to the ultimate test when Thomas, a Bible-spouting zealot, commits an unthinkable act that threatens the tenuous balance of both his and Dominick's lives. To save himself, Dominick must confront not only the pain of his past but the dark secrets he has locked deep within himself, and the sins of his ancestors--a quest that will lead him beyond the confines of his blue-collar New England town to the volcanic foothills of Sicily's Mount Etna, where his ambitious and vengefully proud grandfather and a namesake Domenico Tempesta, the *sostegno del famiglia*, was born. Each of the stories Ma told us about Papa reinforced the message that he was the boss, that he ruled the roost, that what he said went. Searching for answers, Dominick turns to the whispers of the dead, to the pages of his grandfather's handwritten memoir, *The History of Domenico Onofrio Tempesta, a Great Man from Humble Beginnings*. Rendered with touches of magic realism, Domenico's fablelike tale--in which monkeys enchant and religious statues weep--becomes the old man's confession--an unwitting legacy of contrition that reveals the truth's of Domenico's life, Dominick learns that power, wrongly used, defeats the oppressor as well as the oppressed, and now, picking through the humble shards of his deconstructed life, he will search for the courage and love to forgive, to expiate his and his ancestors' transgressions, and finally to rebuild himself beyond the haunted shadow of his twin. Set against the vivid panoply of twentieth-century America and filled with richly drawn, memorable characters, this deeply moving and thoroughly satisfying novel brings to light humanity's deepest needs and fears, our aloneness, our desire for love and acceptance, our struggle to survive at all costs. Joyous, mystical, and exquisitely written, *I Know This Much Is True* is an extraordinary reading experience that will leave no reader untouched.

I Know This Much Is True

A universal favorite, *The Importance of Being Earnest* displays Oscar Wilde's wit and theatrical genius at their brilliant best. Subtitled "A Trivial Comedy for Serious People," this hilarious attack on Victorian manners and morals turns a pompous world on its head, lets duplicity lead to happiness, and makes riposte the highest form of art. Written, according to Wilde, "by a butterfly for butterflies," it is a dazzling masterpiece of comic entertainment. Although it was originally written in four acts, *The Importance of Being Earnest* is usually performed in a three-act version. This authoritative edition features an appendix that restores valuable lines that appeared in the original. Also included in this special collection are Wilde's first comedy success, *Lady Windermere's Fan*, and his richly sensual melodrama, *Salomé*, which he called "that terrible coloured little tragedy I once in some strange mood wrote"—and which shocked and enraged the censors of his time. Includes an Introduction by Sylvan Barnet and an Afterword by Elise Bruhl and Michael Gamer

Ready to give your design skills a real boost? This eye-opening book helps you explore the design structure behind most of today's hit video games. You'll learn principles and practices for crafting games that generate emotionally charged experiences—a combination of elegant game mechanics, compelling fiction, and pace that fully immerses players. In clear and approachable prose, design pro Tynan Sylvester also looks at the day-to-day process necessary to keep your project on track, including how to work with a team, and how to avoid creative dead ends. Packed with examples, this book will change your perception of game design. Create game mechanics to trigger a range of emotions and provide a variety of play Explore several options for combining narrative with interactivity Build interactions that let multiplayer gamers get into each other's heads Motivate players through rewards that align with the rest of the game Establish a metaphor vocabulary to help players learn which design aspects are game mechanics Plan, test, and analyze your design through iteration rather than deciding everything up front Learn how your game's market positioning will affect your design

The Importance of Being Earnest and Other Plays

Sixteen-year-old Emilie, stuck in a cosmic Groundhog/Valentine's Day nightmare where she discovers her family is splitting up and her boyfriend is cheating on her, decides to embark upon The Day of No Consequences, but when her repetitive day suddenly ends, she must face the consequences of her actions.

Designing Games

Theatre program.

The Do-Over

Drawing from her experiences as an Indigenous scientist, botanist Robin Wall Kimmerer demonstrated how all living things—from strawberries and witch hazel to water lilies and lichen—provide us with gifts and lessons every day in her best-selling book Braiding Sweetgrass. Adapted for young adults by Monique Gray Smith, this new edition reinforces how wider ecological understanding stems from listening to the earth's oldest teachers: the plants around us. With informative sidebars, reflection questions, and art from illustrator Nicole Neidhardt, Braiding Sweetgrass for Young Adults brings Indigenous wisdom, scientific knowledge, and the lessons of plant life to a new generation.

Equus

THE NUMBER ONE BESTSELLER Shortlisted for the Irish Book Awards 2021 'A great achievement . . . brilliant, engaging and essential' Colm Tóibín 'At once intimate and epic, this is a landmark book' Fintan O'Toole When Dubliner Derek Scally goes to Christmas Eve Mass on a visit home from Berlin, he finds more memories than congregants in the church where he was once an altar boy. Not for the first time, the collapse of the Catholic Church in Ireland brings to mind the fall of another powerful ideology - East German communism. While Germans are engaging earnestly with their past, Scally sees nothing comparable going on in his native land. So he embarks on a quest to unravel the tight hold the Church had on the Irish. He travels the length and breadth of Ireland and across Europe, going to Masses, novenas, shrines and seminaries, talking to those who have abandoned the Church and those who have held on, to survivors and campaigners, to writers, historians, psychologists and many more. And he has probing and revealing encounters with Vatican officials, priests and religious along the way. The Best Catholics in the World is the remarkable result of his three-year journey. With wit, wisdom and compassion Scally gives voice and definition to the murky and difficult questions that face a society coming to terms with its troubling past. It is both a lively personal odyssey and a resonant and gripping work of reporting that is a major contribution to the story of Ireland. 'Reflective, textured, insightful and original ... rich with history, interrogation and emotional

intelligence' Diarmaid Ferriter, Irish Times 'An unblinking look at the collapse of the Church and Catholic deference in Ireland. Excellent and timely' John Banville, The Sunday Times 'Engaging and incisive' Caelainn Hogan, author of Republic of Shame 'Remarkable . . . Essential reading for anyone concerned about history and forgetting' Michael Harding 'Fair-minded . . . thoughtful' Melanie McDonagh, The Times 'Very pacy and entertaining . . . and it changed how I regard Ireland and our history for good. Fantastic' Oliver Callan 'Original, thought-provoking and very engaging' Marie Collins 'A provocative insight into a time that many would rather forget' John Boyne 'Challenging' Mary McAleese 'Explores this subject in a way that I've never seen before' Hugh Linehan, Irish Times

Braiding Sweetgrass for Young Adults

Expanded with never before seen works of art, this new edition delves deeper than ever into the sci-fi saga that changed video games forever. Contains extensive new material from the DLCs for all three games-- including the award-winning "Lair of the Shadow Broker" from Mass Effect 2 and the fan-favorite "Citadel" from Mass Effect 3. Experience the evolution of the aliens, planets, ships, and technology that define this iconic science fiction universe, as the developers who brought BioWare's masterpiece to life take you from the earliest design sketches through to the meticulous final renders. Brimming with concept art and commentary, this expanded edition is the ultimate companion to one of the greatest series in the history of gaming!

The Best Catholics in the World

Book three in the series, "Busy Izzy and Talkative Tess" created and written by Roxanne Kiely and illustrated by Jeesoo Kim, (features the voice of Bec Hewitt as Tess) Do you have a friend who talks a lot? Natters and chatters and doesn't stop? Busy Izzy has a friend like that. She's Talkative Tess and she loves to chat. Read how Busy Izzy's talkative friend, Tess learns the importance of listening, friendship, kindness and co-operation. Young readers will be immersed in a fun-filled, educational adventure with this exciting new addition. "When things go wrong unexpectedly, sometimes a friend is all you need to be" "So excited to be the voice of Talkative Tess! She is so vivacious, likeable and talkative! A beautiful story about acceptance and reminding us how polite it is to take turns." Bec Hewitt.

The Art of the Mass Effect Trilogy: Expanded Edition

Welcome to the DC Universe in 1950s America -- a land of promise and paranoia, of glittering cities and segregated slums, of dizzying scientific progress and simmering Cold War conflict. A land without the Justice League-- Superman, Batman and Wonder Woman. Or so it seems. Celebrate the 15th anniversary of Darwyn Cooke's retro-styled masterpiece in a new Absolute format. The masked mystery men who fought for freedom in the Second World War have been outlawed. The soldiers and spies who conducted top-secret missions into the unknown now work in the shadows. And those icons who do still fight on -- Superman, Wonder Woman, Batman -- operate under hidden agendas and dueling ideologies. Yet this America needs its heroes more than ever. With darkness gathering on the horizon once more, only a bold new generation of adventurers -- young, daring, and dedicated to the better angels of our nature -- is equal to the challenge of the New Frontier. From Eisner Award-winning writer-artist Darwyn Cooke and Eisner Award-winning colorist Dave Stewart comes DC: The New Frontier-- a timeless tale of idealism that has become one of the most acclaimed superhero comics of the 21st century. This edition collects the original 6-issue miniseries together with the Justice League: New Frontier Special, and features over 50 pages of designs, sketches and preliminary artwork from the author.

Busy Izzy and Talkative Tess

From the New York Times bestselling author Dustin Thao, *We Are Okay* meets *Wandavision* in this novel about loss, and learning to let go. After the death of his best friend, Eric Ly creates imaginary scenarios in his head to deal with his grief. Until one of them becomes real when a boy he met last summer in Japan finds his way back into his life. When he least expects it, Haru Tanaka walks into the coffee shop and sits down next to him. The only thing is, nobody else can see him. In a magical turn of events, Eric suddenly has someone to connect with, making him feel less alone in the world. But as they spend more and more time together, he begins to question what is real. When he starts losing control of the very thing that is holding him together, Eric must finally confront his reality. Even if it means losing Haru forever.

Planetary has been hailed as a timeless story that turned modern superhero conventions on their heads. Written by Warren Ellis (Transmetropolitan) and with stunning art by John Cassaday (Astonishing X-Men), this critically acclaimed, landmark series took a look at the inter-dimensional peace-keeping force known as Planetary. The trio on the ground includes Elijah Snow, a hundred-year-old man, Jakita Wagner, an extremely powerful woman, and The Drummer, a man with the ability to communicate with machines. Tasked with tracking down evidence of super-human activity, these mystery archaeologists uncover unknown paranormal secrets and histories, such as a World War II supercomputer that can access other universes, a ghostly spirit of vengeance, and a lost island of dying monsters. All 27 issues of the original series are collected in this hardbound omnibus edition.

Dr. Seuss's Thankful Things

Read the books that inspired the CW show! All four thrilling novels in The 100 series are now available in this paperback boxed set. Ever since nuclear war destroyed our planet, humanity has been living on city-like spaceships hovering above the toxic surface. As far as anyone knows, no one has stepped foot on Earth in centuries--that is, until one hundred juvenile delinquents are sentenced to return and recolonize the hostile land. The future of the human race rests in their hands, but nothing can prepare the 100 for what they find on this strange and savage planet. Don't miss the book series that inspired the hit TV show. New York Times bestseller The 100, Day 21, Homecoming, and Rebellion are gathered together for the first time in this striking box set, perfect for fans and series newcomers alike.

The World's Worst Pets

This inspirational memoir serves as a call to action from prison reform activist Yusef Salaam, of the Exonerated Five, that will inspire us all to turn our stories into tools for change in the pursuit of racial justice. They didn't know who they had. So begins Yusef Salaam, telling his whole story for the first time: of resilience in the face of one of the gravest miscarriages of justice. Despite having confronted the racist heart of America, Yusef channeled his energy and pain into self-determination and positivity. During his seven years of wrongful incarceration as one of the Central Park Five, Yusef gained a spiritual perspective on life, realizing that we are all "born on purpose, with a purpose." Better, Not Bitter is the inspirational story of a young man growing up in central Harlem in the '80s, the failure of America's criminal justice system, of being vilified by a nation. But during his years of incarceration, Yusef discovered the power of art and faith, and of holding on to the person you know you are, which gave him the strength to survive, and helped him through reentry and exoneration. Yusef's journey inspires us to accept our own path, to discover our own sense of purpose. His intimate insights help unpack the racist design of systems built for profit and oppression of Black and Brown people. This motivational memoir urges us to channel fury into action, and to turn anger and trauma into a constructive force to enact change in one's own life and for a better future.

Say You'll Remember Me

?Supercharge Your Social Confidence, Break Your Fear of Rejection, and Live Rejection Free™ for Life? Federal Trade Commission Decisions

A romance novel inspired by the songs of Taylor Swift! *NOW A USA TODAY BESTSELLER* This BookTok sensation is perfect for fans of Jenny Han's *The Summer I Turned Pretty* and Sarah Dessen's *Along for the Ride*. Meredith's family's annual game of assassin at Martha's Vineyard during a summer wedding is the perfect chance to honor her sister's legacy, and finally join the world again. But when she forms an alliance with a cute groomsman, she's at risk of losing both the game ... and her heart. When Meredith Fox lost her sister, Claire, eighteen months ago, she shut everyone out. But this summer she's determined to join the world again. The annual family vacation to Martha's Vineyard seems like the perfect place to reconnect. Her entire extended family is gathering for a big summer wedding, and although Meredith is dateless after being unexpectedly dumped, she's excited to participate in the traditional Fox family game of assassin that will take place during the week of wedding festivities. Claire always loved the game, and Meredith is determined to honor her legacy. But when Meredith forms an assassin alliance with a cute groomsman, she finds herself getting distracted. Meredith tries to focus on the game and win it for her sister, but she can't help falling for him. And as the week progresses, she realizes she's not only at risk of losing the game, but also her heart. "The feel-good summer read of my dreams!"—Alicia, Goodreads Reviewer "Boy, did it also give me all the summer feels."—Larissa, Goodreads Reviewer "This book is bound to become a favorite of all who love contemporary romance."—Kelly, Goodreads Reviewer "If beachy contemporary romances are your jam, then trust me—you do NOT want to miss this book."—Jessica, Goodreads Reviewer

Each story can be read in five minutes or less, so it's perfect for bedtime--or anytime!

Damien Hirst Colouring Book

Told in alternating timelines, *THE THINGS WE LEAVE UNFINISHED* examines the risks we take for love, the scars too deep to heal, and the endings we can't bring ourselves to see coming. Twenty-eight-year-old

Georgia Stanton has to start over after she gave up almost everything in a brutal divorce—the New York house, the friends, and her pride. Now back home at her late great-grandmother’s estate in Colorado, she finds herself face-to-face with Noah Harrison, the bestselling author of a million books where the cover is always people nearly kissing. He’s just as arrogant in person as in interviews, and she’ll be damned if the good-looking writer of love stories thinks he’s the one to finish her grandmother’s final novel...even if the publisher swears he’s the perfect fit. Noah is at the pinnacle of his career. With book and movie deals galore, there isn’t much the “golden boy” of modern fiction hasn’t accomplished. But he can’t walk away from what might be the best book of the century—the one his idol, Scarlett Stanton, left unfinished. Coming up with a fitting ending for the legendary author is one thing, but dealing with her beautiful, stubborn, cynical great-granddaughter, Georgia, is quite another. But as they read Scarlett’s words in both the manuscript and her box of letters, they start to realize why Scarlett never finished the book—it’s based on her real-life romance with a World War II pilot, and the ending isn’t a happy one. Georgia knows all too well that love never works out, and while the chemistry and connection between her and Noah is undeniable, she’s as determined as ever to learn from her great-grandmother’s mistakes—even if it means destroying Noah’s career.
