A lyrical picture book biography of Simone Biles, gymnastics champion and Olympic superstar. Before she was a record-breaking gymnast competing on the world stage, Simone Biles spent time in foster care as a young child. Nimble and boundlessly energetic, she cherished every playground and each new backyard. When she was six years old, Simone's family took shape in a different way. Her grandparents Ron and Nellie Biles adopted Simone and her sister Adria. Ron and Nellie became their parents. Simone was also introduced to gymnastics that same year, launching a lifelong passion fueled by remarkable talent, sacrifice, and the undying support of her family. From her athletic early childhood to the height of her success as an Olympic champion, Flying High is the story of the world's greatest gymnast from author Michelle Meadows and illustrator Ebony Glenn.

Different Different is an activity book for children, that thoughtfully addresses everyday skin color consciousness and bias in a way that's easy to understand. Children's rich observations and questions about color, caste, and race elicit accurate yet straightforward responses. Jyoti's art-and-craft-based book takes you on a playful and creative discovery to find answers that work for you and your family--while creatively introducing facts of history and 15-plus new words. Make art. Perform a play for the nanas when they're in town. Eat a yummy homemade dessert. Ooh! and aah! about how each member of the family has a different skin color. It's really a beautifully-illustrated, educational tool that sets the context for hard conversations about self-awareness, color, and identity. Subjects in the book include biology of skin (e.g. melanin); culturally-related aspects (e.g. food); colorism's social impact (e.g. bullying) and solutions (e.g. bystander intervention). Illustrated by Tarannum Pasricha, Different Different reflects the world of the child, in all its diverse exuberance. The book's creators have worked hard to spawn a visual culture that centers cultures and children of color. Do away with the rhetoric, the baggage of what's taboo or political correct! Lead the dialogue with your children and help them embrace the values of social justice and equity.
